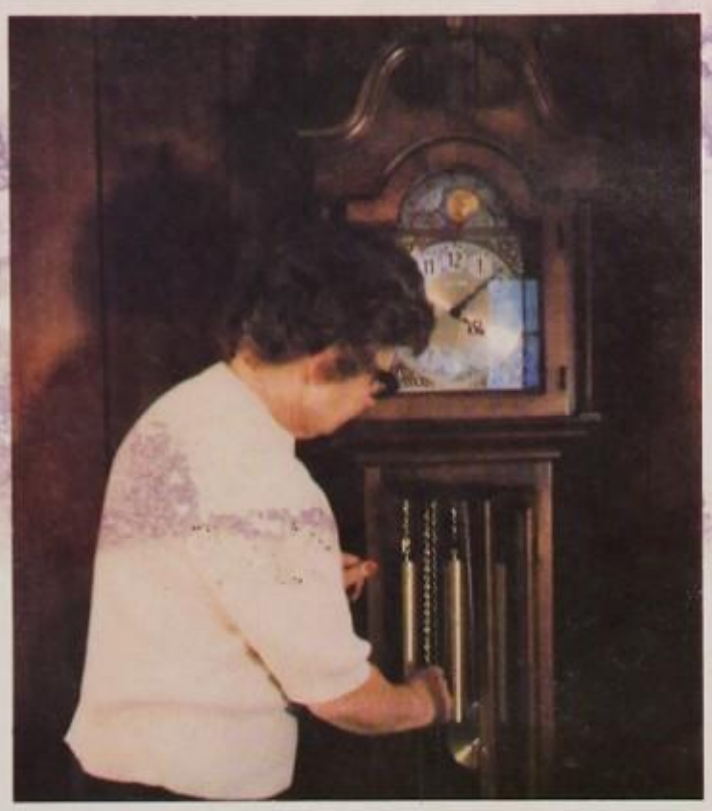
KAHOKIAN DEDICATES

One of Miss Linder's favorite things is clocks. Last year the Quill and Scroll Society presented her with a clock in appreciation of her service to the yearbook.

Miss Linder admires one of her favorites, a grandfather clock which she has in her home.



The gift clock was presented to Miss Linder at the annual publications banquet last spring.

BOOK TO MISS LINDER

Dedications are not a usual part of past KAHOKIANS, and dedicating a yearbook to someone is out of style, a tradition of yesteryears.

The KAHOKIAN is taking exception to the rule, however, in dedicating this '78 yearbook to Miss Margaret Linder, past yearbook advisor for many years.

This is a surprise to Miss Linder, thanks to Miss Jan Kuncl, who revealed vital information to the yearbook staff, as well as taking the pictures of Miss Linder in her home. The KAHOKIAN thanks Miss Kuncl for her help in the dedication.

This 1978 KAHOKIAN is dedicated to Miss Margaret Linder, who in the past has sponsored the yearbook for 33 years.

While holding down the position of yearbook sponsor, Miss Linder has also been dean of students and college counselor. Miss Linder has been associated with Unit 10 for 38 years.

In addition, Miss Linder has taught Sociology, Health, World History, American History and Economics, as well as sponsoring the National Honor Society, Quill and Scroll and the Art Club.

Miss Linder first started on the KAHOKIAN during her own high school years at CHS, then she went on to work with the SAGAMNE staff at S. E. Missouri State University in Cape Girardeau, Missouri. On both publications, she was on the art staff.

Since retiring last year, Miss Linder has remained active around her home reading and drawing. Outside the home, she has enjoyed traveling and dining out.

This past year, Miss Linder returned briefly to CHS after her retirement, to take up the duties left by assistant principal Ron Ganschinietz while he was in the hospital.

Miss Linder always wanted to become a successful teacher, and a person who was useful and helped contribute to the development of young people.

The KAHOKIAN feels she has accomplished her goals here at CHS, and wishes her the very best in her years of retirement.

And thanks, Miss Linder, for all the help with the yearbooks.

FOOTBALL WIN KEEPS PACE WITH CHANGES

Changes is the theme of the 1978 KAHOKIAN.

Regardless of class, CHANGES have been a vital part of everyone's school life this past 1977-78 year.

For everyone it was the change to a six-hour day from the seven-hour day. Some liked the shorter days and others didn't

Both campuses had to adjust to the faculty changes. For the juniors, it was a switch becoming the first class in a while not receiving open campus. For the most part, the sophomores went through the change of a new campus. For the freshmen, it was the change to high school life-a student at CHS.

The new mid-quarter reports were a change from the old failing notices, as was the new attendance policy, The Kahok football team won the Homecoming football game, a change from previous seasons. Basketball ticket sales boomed like no other year. Physical Education became an elective for juniors and seniors, and CHS was introduced to a new sport-girls basketball.

However, all sports were in jeopardy as CHS had to go out and raise money through donations to carry a sports program.

The seniors have watched many changes in their four years at CHS. They've watched each other mature from a freshman at the Vandalia Campus to the seniors they were this spring. For them and everyone, styles, music and people have all changed.

We've tried to create these changes among the introduction pages, as well as throughout the book. Perhaps you will notice and realize the CHANGES that take part everyday for the CHS student, and we hope you enjoy this year's publication, which is yet another change because the yearbook is now a total book as the supplement has been included in the regular edition.

CLOWNS, MOVIES POPULAR

The highlight of Homecoming week occurred Friday night when the Kahoks scalped the Warriors of Granite City South, with a score of 21-7.

This year, soccer was included in the Homecoming week, for the first time, as the Kickers beat the Alton Redbirds, to wrap up the South Western Conference Championship.

This year's theme was, "Kahoks go to the Movies." Another first this year was the four-day Homecoming week. Fifties Day, Movie and T.V. Day, Clown Day and the traditional Purple and White Day filled the week with spirit and excitement.

Pep Week winners were Tish Kebbel and Karen Minton — 50's Day, Evie Nochta and Ron Mohr — Movie and T.V. Day, Don Metzler, Mary Beckman, Tracy Warren and Barb Wilson — Clown Day and Melinda Hopper and Barb Barton — Purple and White Day.

This year, the "Starving Kahok Fan" was finally fattened up on a Homecoming Victory.

WAR PATH HERE CAUSES DEFEAT FOR WARRIORS

When two sets of Indians get together it's more than likely that the one with the better bonfire will come out on top.

The fate of Granite City South was predicted by the Kahok bonfire. The bonfire festivities began with the burning of the tepee on Thursday, preceeding the Homecoming football game which was played on Friday.

The highlight of the evening was when the Kahok foot-

ball players threw a Granite City South dummy into the bonfire, representing what our football team would and did do to the Warriors.

After that, "KAHOKS" was lit up representing our soon-to-be victory.

The array of floats, which represented the different CHS classes, began the trip at Webster and ended at the football bowl where the Kahoks went on to defeat the Warriors.

The Junior Class took top honors with their float, "Kahoks Clamp their Jaws on Warriors." This is the second year that the "Class of '79" clinched the first place prize. The runners up were the senior class with the theme, "King Kahok," the freshman class with their float, "Purple Streak," and the sophomore class with the theme "The Longest Yard."

'80 CLASS 'CLASHES' FOR FIRST

L

M

Class Clash was quite surprising with the sophomores overpowering all. The juniors took second with the seniors close behind in third place.

Class Clash was begun by a series of rotating events, such as standing on a tin can while bending over to light a candle, and blowing a dixie cup along a string.

The major goals set by the classes were to win the tug-of-war and build the best mummy out of toilet paper.

Seniors, of course, dominated tug-of-war, while, the juniors stole the show in "to build a mummy."

A new fan was introduced at the Homecoming Pep Assembly. He was the "Kahok who hasn't eaten since we last won the Homecoming Football Game," which was in 1974.

The Football-Wrestling Cheerleaders presented a skit to "You Make Me Feel Like Dancing." "Ump-de-dump" was the phrase used to describe the skit by Basketball-Soccer Cheerleaders.

Liann Barnish and Steve Ray presides as Mistress and Master of Ceremonies.

Cornstalks and pumpkins contributed to the theme of this year's Football Coronation, "Indian Summer." The senior class chose Peggy Welle to reign over the Homecoming festivities.

About 300 students and parents attended the annual Football Coronation, which was held October 15 in the Fletcher Gym. This about doubled last year's attendance.

Pages Dori Barnett, Karen Mersinger and Gina Miller added to the surroundings by dressing as Indians.

Maintaining tradition, the maids wore long "Southern-Belle" type dresses.

Webster Jr. High's Jim Stranz learns quickly that jogging is essential in donkeyball.

Mr. Charles Suarez, of the Greenwood Campus team, demonstrates a graceful landing onto the gym floor.

Greenwood riders lose out in the first round to Webster Elementary.

The donkeys refuse to cooperate. They want to be pampered by the riders.

Mr. Mel Heins, of Webster Jr. High, tries to "catch-up."

Who's "behind?" The conflict is more often between the donkey and the rider.

DONKEYS BUCK TEAM MEMBERS

Approximately 900 students and adults were on hand as the Webster team took first place in the fifth Annual Donkey Basketball Tournament held at the Vandalia Gym.

In the first game, Webster Elementary beat the Greenwood Campus team and the Vandalia Campus team beat Webster Jr. High. Webster Elementary then dumped the Vandalia Campus team to take the championship.

The Donkey Basketball game was sponsored by the junior class. The fund-raiser brought in about $575.

PUPS GETS VALIDATION

The three-year experimental PUPS program was officially validated in May. During the three years it served as a pilot program funded by the Federal Government. With official validation it's now feasible for other schools to offer similar programs.

The PUPS program is the only one of its kind today in the United States. PUPS, called Parents Utilize Pre-Kindergarten Skills, gives parents, students and pre-schoolers the opportunity to learn about themselves and parenthood.

'HERE AND NOW' PLAY DISCUSSES PROBLEMS OF TODAY'S TEENAGERS

"Here and Now" a striking up-to-date play by David Rogers, the school's fall production, was held in the intimate surroundings of the Greenwood Campus Library.

The fourth annual school play ran for two nights — November 18 and 19. The play revolved around a group of parents, teachers and students and the problems they faced in everyday life.

The director was Mr. Mark Nelson, Speech and Dramatic Arts teacher. Playwright Tennessee Williams' niece, senior Fran Williams, was Student Director of the play. Some of Williams' best known plays include "The Glass Menagerie," "Cat on A Hot Tin Roof," and the TV movie, "The Migrants."

Tracy Warren excercises her trust in this experiment.

Susie River and Steve Fernandez are the Mistress and Master of Ceremonies for the night.

Don Osborn (right) and Beth Wurtsbaugh portray Mr. and Mrs. Santa at the Christmas Ball.

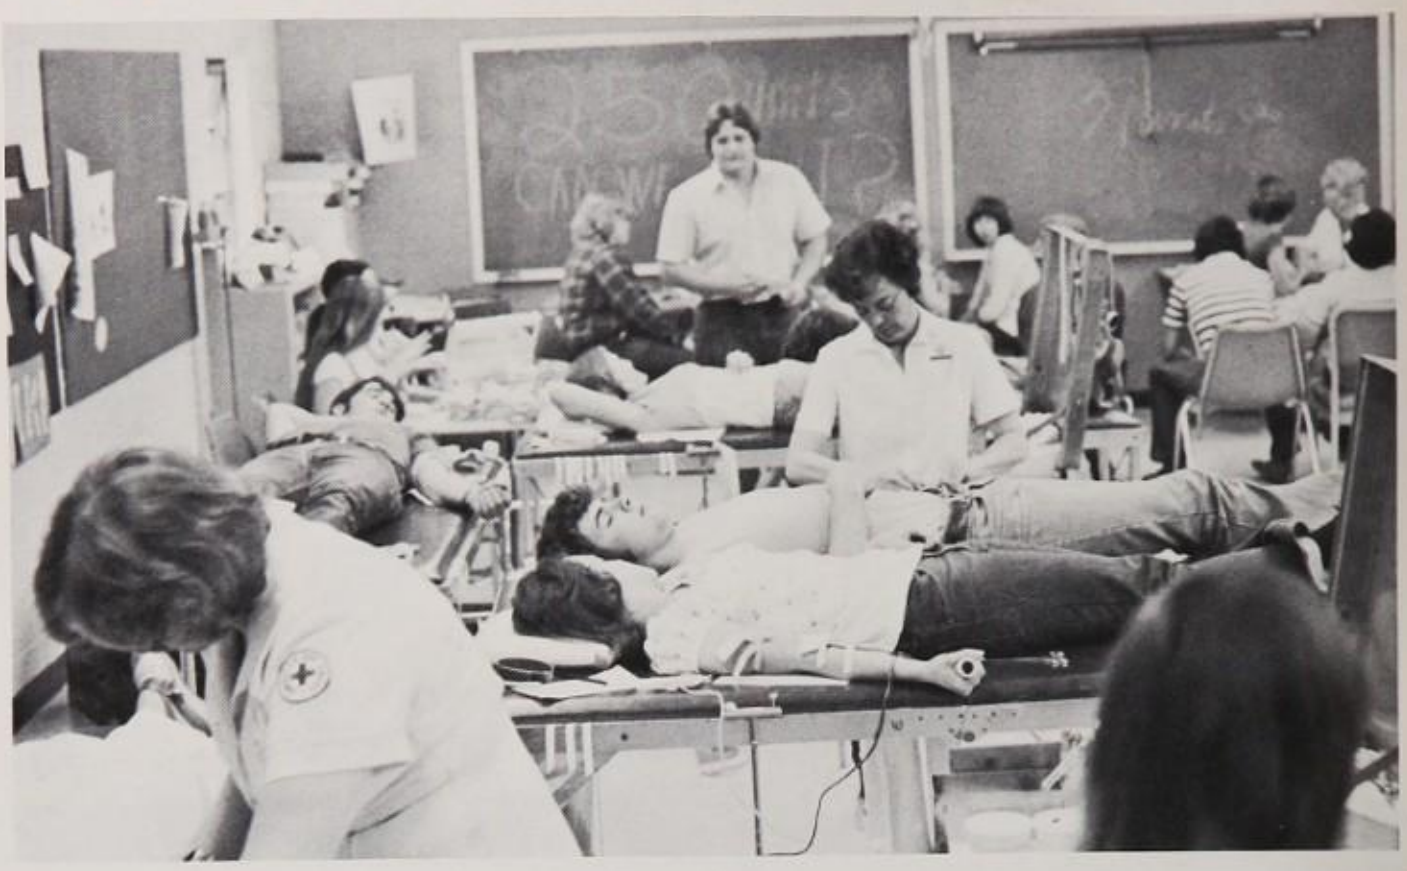
Christmas Elf Tammy Francis carries the flowers for the Queen.

The highlight of this year's Christmas Ball was Santa Claus' (Don Osborn) crowning kiss to Barb Welle. The backdrop was made of cheerful wrapping paper, constructed by the Student Council, who sponsored the dance. A change occurred this year when two of the senior maids had a tie in votes. This tie increased the number of senior maids from three to four. The theme of this year's Christmas Ball was, "Have Yourself a Merry Little Christmas."

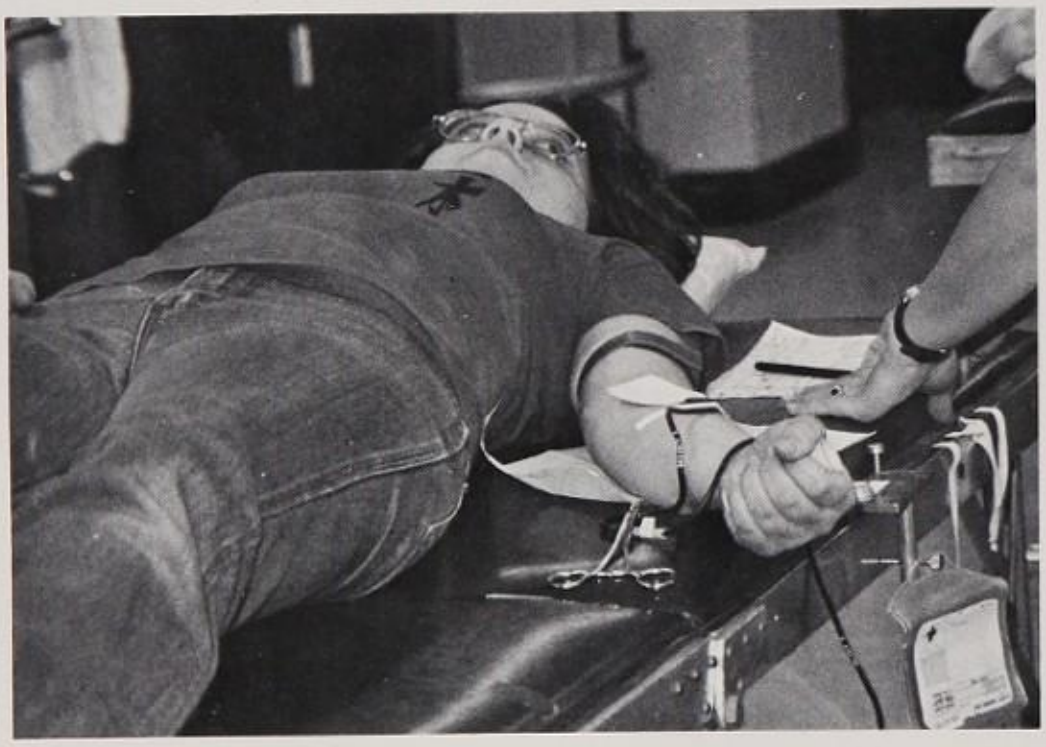
TWO BLOOD DRIVES NET 495 UNITS

CHS students and staff donated a total of 495 pints of blood to the Red Cross during its two-day blood drive at the Area Vocational Center in the fall and spring. Their total expected goal for the two blood drives was 450 units.

The blood drive has been sponsored twice annually since 1976.



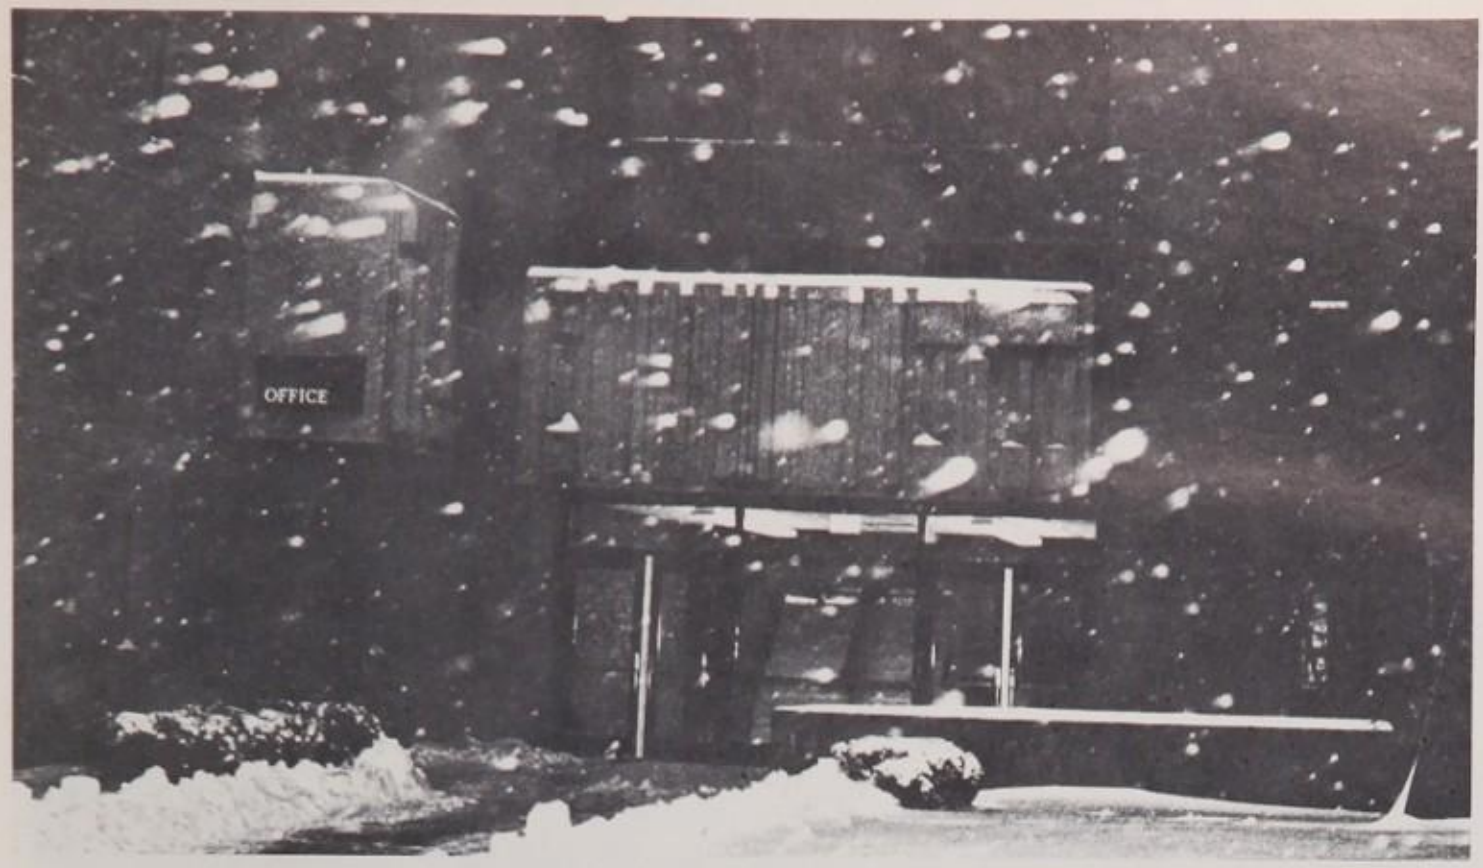
Giving blood takes only seven minutes and really isn't as bad as anticipated, according to most of the donors.



Pumping the hand with a little extra help is important to keep the blood circulating.

Half the fun of donating blood is snacking on cookies and juice afterwards to regain strength.

After giving a unit of blood (top) the donor must extend his arm upward to stop the extra flow of blood. But before giving the blood (right), the blood pressure must be normal.



EASTER BREAK CUT BY SNOW; SCHOOL ENDS JUNE 9

A near record snowfall of 66 inches caused several problems for the students of CHS this year. Because of all the snow, along with freezing rains and subzero weather, 11 school days were canceled.

The first semester ended January 24 instead of the originally planned January 17. Easter vacation, which had been planned for six days, was cut down to one day only - Good Friday.

The most important problem to the students, especially to the ones with "Senioritis," was that graduation ceremonies were changed from June 2 to June 9, thus making June 9 the last day of the school year.

Mistress and Master of Ceremonies for the evening are Tammy Waltermire and Matt Burgess.

Connie Boyle carries the Queen's crown to the throne.

Robin Roedger, Retiring Queen, takes the last walk of her reign with excort Dan Deets.

The fashion of those in the Basketball Coronation was in keeping with the theme of the dance, "Gone With the Wind."

The maids dressed in the customary Southern Belle type dresses; their escorts were in long-tailed tuxedos and ruffled blouses.

A tie in the special maids' balloting resulted in the naming of two special maids, rather than the traditional one.

The Basketball Coronation was sponsored by the Senior Class of 1978.

CURRENT STYLES ENCOURAGE GIRLS, GUYS TO DRESS UP

The many new styles of the 1977-78 school year gave students more incentive than in past years to dress up.

During the fall and winter months, the layered look was the "in" style. Students wore layered sweaters, cowls and turtlenecks, and blouses. Pants were worn baggy in wool or corduroy with skinny belt loops, cuffs, straight legs and lots of pleats. Girls also wore pleated wool skirts with matching or contrasting shawls.

Not only was the layered look a big hit early in the year, but it also carried into spring.

Blouses with camisoles or strapless T-shirts were worn with skirts or pants having the same styles as those from winter months, but in cotton fabrics.

Many of the styles for spring were baggy, simple and made of cotton gauze. Men wore khaki pants with matching or contrasting gauze shirts. Jeans were still popular, but had more of a dressed-up appearance.

Accessories of belts, scarves, gold chains and stick pins complemented the new look. In keeping with the new fashions, the hairstyles also shifted from the popular wedge cut to a more layered look.

Kathy Carson, senior, models classy grey wool, pleated pants, vest and blazer that she made herself; a contrasting scarf sets off the neckline.

These khaki pleated pants and matching patterned blouse are worn by Jay Dowling, senior.

Junior Gina Calbreth, poses in this feminine plain wool jumpsuit, matching cowl, scarf, and the now coming back black hose.

Patty Benyr, junior, models a strapless tiered sundress; under it she wears an eyelet petticoat.

This pretty camisole is worn with a wrap circle skirt and eyelet petticoat that Beth Klobachur, sophomore, made and models.

The "Annie Hall Look" gauze dress with elastic waist and contrasting gauze vest looks great on Debbie Beard, junior.

Junior Debbie Zamarioni poses attractively in a tiered gauze skirt, gauze blouse and strapless T-shirt.

'CRYSTAL BALL' DRAWS 275 PEOPLE

PROM 1978

Faustus helped attract more than 275 students to the annual Junior-Senior Prom. The band, considered by the students as one of the top in the area, played for its audience from 9 p.m. until midnight.

The annual festivity, with its theme, "Crystal Ball," was set at Augustine's Restaurant in Belleville, April 15. A buffet dinner was among the evening attractions. The Prom was first held at Augustine's two years ago, which marked the first time in several years that the Prom was held off campus.

Favors, popular souvenirs from proms and formals, were added to their year's special occasion. The first-time ever favors were mugs containing the school's name and the date and theme of the 1978 Prom. They were included in the cost of the tickets.

The formal affair was sponsored by the Junior Class.

Sophomore Linda Ciuferi and her date, senior Gary Obernuefemann, sip punch from the Prom mug favor, a new dimension added to the annual occasion.

Junior Kay Luebbers and senior Pete Harding, dressed in a formal gown and tuxedo, are wearing the typical fashion of the evening.

Junior class sponsor, Mr. Virgil Kassing, and his wife prepare to sample the buffet food prepared by the Augustine chefs.

More than 275 students attended the annual gala affair sponsored by the Junior Class.

Kim Hawk, senior, and her escort, Scott Kelly, Triad senior, dance to the music by the band group Faustus.

Sophomore Tish Kebbel reflects on the moments of her first high school Prom.

Prom night is a very special time for couples such as sophomore Bob Binger and his date, junior Robin Reece.

The seniors, knowing it's their last high school Prom, plan to have a very enjoyable evening.

THESPIAN TROUPE RE-ENACT BRAM STOKER'S "DRACULA"

A somber Miss Anya (Tracy Warren) tells Dr. Quincy (Dan Grimm) of strange happenings which occur in her homeland.

In a voice like a whisper from the tomb, Count Dracula (Pierce Tucker) bids everyone welcome.

The brides of Dracula (Tish Kebbel, Traci Scoggins and Amy Fedder) glide toward an unsuspecting Jonathan Harker (Bob Gabella).

Five weeks of rehearsals culminated in a three-night run of "Dracula" by the Thespian Troupe 643. Everyone would have to agree that CHS's own talented actors and actresses brought Bram Stoker's play off very successfully.

Senior Becky Taylor student directed the play, which was staged May 4,5 and 6 in one of the balconies in the Fletcher Gym.

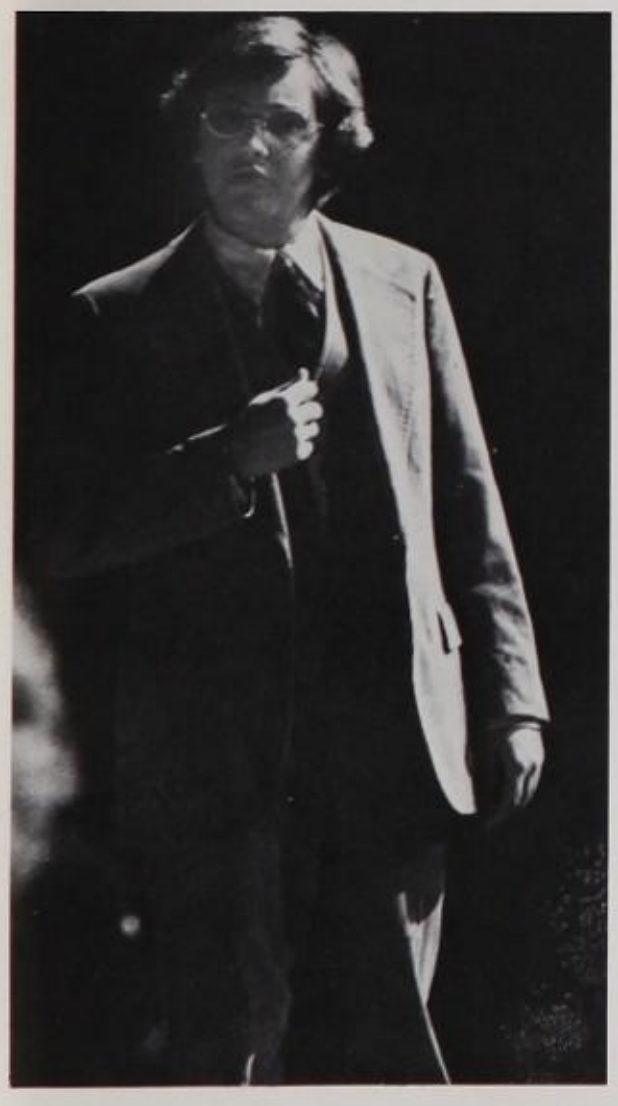
While Swan Lake music set the stage of eirie feeling, dry ice was used to achieve a special effect. Each cast member coordinated their own costume.

Count Dracula was very evident on the stage in the form of sophomore Pierce Tucker. While he already had three brides, his chief concern during the play was to have yet another bride-Becky Conklin who played the role of Lucy. Other cast members, such as Jonathan Harker and Dr. Quincy and Professor Van Helsing were also confronted by Dracula. But the sun rose and killed Count Dracula, thus sparing the lives of the cast members.

Jonathan (Bob Gabella) blocks out the nightmarish memories from the Carpathian Mountains as his wife Mina (Sue River) consoles him.

Lucy (Becky Conklin) finds herself being drawn toward the power of Dracula.

"That something that approaches me no longer frightens me. I seem to wait anxiously for the sound of its voice."



(LEFT)-As a specialist in obscure maladies, Professor Van Helsing (Keith Shea) has been summoned to Dr. Quincy's sanatorium in London to confront a greater evil.
(CENTER)-A most "interesting" case, Renfield (Dave Wentzel) contemplates his evening menu: spiders or flies.
(TOP)-Nurse Cassidy (Jean Carr) and Mrs. Westenra (Stacey Zeisel) discuss the idea of human vampires. Does Mrs. Westenra appear to be a bit faint?

PACEWIC '78 TEPEE QUEEN

It was no surprise that Paula Pacewic, senior, was crowned Queen at the annual May Dance sponsored by Tepee. First runner up was Rosie Giglotto, freshman, second runner up, Cheryl Jordan, junior; and third runner up, Brenda Gibbs, sophomore.

A beautiful multi-colored tissue rainbow added to the effect of the theme "Colour My World."

Master of Ceremonies for the evening was Bob Barnett and Mistress was Liann Barnish.

Since Tepee sponsors activities for both junior high and high school students, the pages were junior high girls Lori Smith, Annie Hall, Kristi Langreder and Melody McEwen.

During the ceremonies, Donita Blair received the "President's Award." She was the president of Tepee and was also the chairman of the dance.

'78 FRIDAY NITE LIVE

This year's annual Talent Nite was held May 12 with the theme "Friday Nite Almost Live," a take-off of the satirical comedy show, "Saturday Night Live." Student Council members organized the show and performed bits of "Saturday Night Live" throughout the evening.

All acts were judged on appearance, originality and audience response by Vandalia and Greenwood Campus teachers. First-place winners were awarded trophies and second-and third-place winners were given ribbons.

Kathy Trucano (accompanied by David Anderson) sings her rendition of "You Light Up My Life" to win first place in the individual category.

John Millick and the rock band "Spectre", win third place in the group competition.

Don't look too closely-it's really not Jane Curtain, Emily Littella and Chevy Chase, but actually it's Susie River, Debbie Nichols and Scott Pitol portraying their characters.

Prudy Ryan (top) and Trudi Soriana (bottom) members from an act called "Dancing Shoes" dance to a first-place trophy in the group category.

"The Jotz", featuring Danny Gruber, took second place in the group competition with their punk rock music.

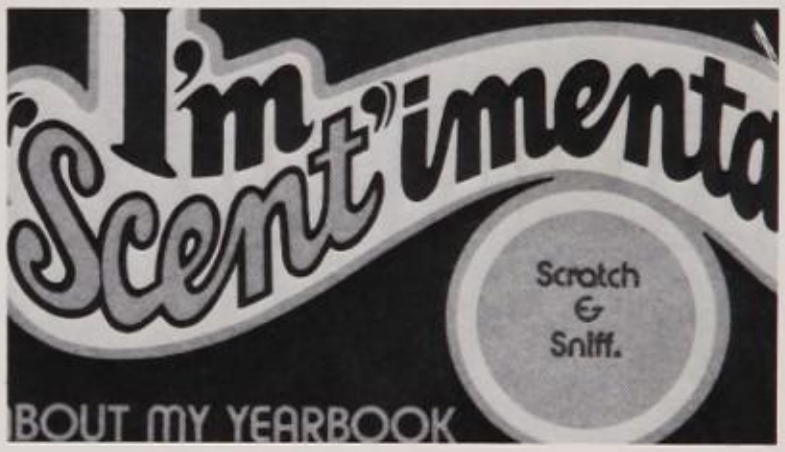
'SNIFF' POSTERS, 'SCENT' STICKERS HELP SELL BOOK

This past year a couple new twists were applied to the KAHOKIAN. In November, the sales campaign was kicked off with scratch n' sniff posters throughout the corridors, and with every sale the students were presented with a 'scentimental' scratch n' sniff sticker.

Also, unlike previous editions, this year's KAHOKIAN is being distributed in the summer to avoid complications with supplements. The cost of the yearbook went up to $9, and CHS switched yearbook companies, electing to go with Josten's American Yearbook Company. The staff sold approximately 1,750 copies of the 1978 book.

With all these changes in yearbook procedures, it fit right in place with this year's theme, CHANGES. The theme CHANGES is to recognize the changes that CHS students have experienced this past year due to budget cuts and the everyday changes that occur in a high school student's life.



Everyone who bought a 1978 yearbook got a SCENTimental sticker.

BUDGET SLASH HURTS PUBLICATION

This past year, the Kahoki, the school newspaper, was affected severely by the school board's budget cuts, therefore, causing confusion and irregularity in its distribution. The numerous snow days also hampered the publication, but the Kahoki earned First Class honors for its efforts from the National Scholastic Press Association and the Blue Banner Award, the highest award given out by the Southern Illinois Scholastic Press Association.

The Kahoki is published by the Journalism Class and previous class and staff members for the students at CHS. The staff and reporters for the Kahoki are underneath the guidance of the advisor, Mrs. Kathy Sims. The paper is printed by the Collinsville Herald, the local newspaper.

The Kahoki expanded to eight pages during the 1976-77 school year and continued this practice throughout the 1978 school year. Also, the staff continued to use advertising from local businesses and merchants, thus establishing itself as a professionally edited newspaper.

The Kahoki also has membership in several press associations. They include the National Scholastic Press Association, the Illinois High School Scholastic Press Association, the Eastern Illinois High School Press Association, the Southern Illinois Scholastic Press Association and the Quill and Scroll Society.

The Kahoki was elected the 1978 treasurer of the Illinois High School Scholastic Press Association at the fall convention at the University of Illinois this past October. The position is 99 percent honorary, according to the association director.

Juniors and seniors who have worked on either the newspaper or yearbook for one school year and are in the top third of their class are eligible for membership into the Quill and Scroll Society. This is an honorary organization for student journalists. Students are inducted during the spring at the annual publications banquet. At this year's banquet, Clif St. James of KSD-TV was the guest speaker.

Several years ago the Society instituted a CHS News Bureau for the purpose of writing school-related articles for the Collinsville Herald. This year the Kahoki staff continued this service for the community.

Typist Cindy Wilson finds that newspaper work includes many hours of typing. As typing editor, she coordinates all the typing for the Kahoki.

Tobey Lackey, editor-in-chief, and Fran Williams, managing editor, edit stories for newspaper publication.

Sports editor Licia Tanner finds that part of the excitement of her job is following the basketball Kahoks to the State Tournament in Champaign.

Much of the newspaper's revenue comes from advertising, which advertising managers Sue Bodine (back) and Carol Beanland quickly realize is an essential aspect of the Kahoki.

STUDENT COUNCIL HELPS UPLIFT SCHOOL SPIRIT

Highlighting the Student Council year was the election of sophomore Dana Gruber as district president at the Kaskaskia District of Student Councils Convention. Sophomore Susie Owens was also elected convention secretary. Gruber and Owens were elected by Student Council members from all member schools from the 12 counties that make up the district convention.

This year, the 13th annual district convention was held at Belleville East High School. It will be held at CHS next year since Owens is the convention secretary.

Many Student Council members are sent to district, state and national conventions, workshops, or conferences every year where they try to improve their leadership and work habits. They also swap ideas about fundraising projects and other activities which help them to be of a better service to CHS students and faculty members.

Student Council members put in many hours of work. Not only were there meetings to attend every Tuesday night, but there was also a lot of outside, individual and Saturday work for all the members.

The Student Council seemed more organized this year than in previous years. The elections of queens and the court were run more smoothly than in the past. Besides holding elections, the Student Council planned and prepared Homecoming. The annual Homecoming Pep Week included the usual Class Clash, Snake Dance, Woodland Park Bonfire, the parade and of course, the football game.

In addition, Student Council also sponsored the annual Christmas Ball, made tepees for the football and basketball games, sponsored several teacher teas, Talent Night, pep assemblies, senior night, senior dance and other spirit-related activities. Student Council also participated in a student exchange program with neighboring schools.

Some of the Student Council's fundraising activities included the back-to-school dance and the sock hop after the Homecoming game. They provided a concession stand at the basketball games, sold Kahok stickers, Sports and Spots magazines and also sponsored pep buses. In February, they collected a number of sponsors for the Rock and Roll-a-Thon at the Pleasant Rest Nursing Home, a fund-raiser for the Heart Association.

Finally, they operated "the Trading Post" school store, at the Greenwood Campus offering students various school supplies, as well as purple and white Kahok T-shirts and other paraphernalia. "The Corner Store," located in the Vandalia Campus cafeteria, did likewise.

At this year's district convention Susie Owens was elected convention secretary and Dana Gruber was elected district president.

NHS, SPEECH, MATH FAVOR EXCELLENCE

Acceptance in the National Honor Society is based upon scholarship, leadership and service. Honor students' duties consisted of putting up the honor roll, raising the flag and serving as graduation ushers. At Thanksgiving, students collected can goods for needy families. Twenty students were involved with the NHS tutoring program.

This year the Debate team went to the Belleville West Invitational tournament and placed first in speaker points and fifth in overall record out of 14 schools from the St. Louis and Chicago area. The team also debated at O'Fallon, Belleville East and the E I U Invitational. Debate is designed to help students think logically and critically.

Mu Alpha Theta is an International Mathematics Club whose purpose is to develop more interest in math among eligible high school students. An informal initiation, a Christmas tea and a formal initiation were important activities planned for the 1977-78 year. Pledges also wore pins and recited by memory a paragraph having to do with the pin and in addition, each pledge gave a report.

The Speech and Dramatic Arts Club is a theater club, where the goal is working to become a Thespian. In order to become a Thespian, students must work in theater activities for 100 hours. This year SDA members raised money for a trophy case for the Speech Department and participated both on stage and behind the scenes of "Here and Now."

This year was a busy one for Thespian Troupe #643. They marched in the Homecoming Parade, performed at the Career Day, sponsored by the Women's Club, and attended the Junior Service Breakfast and also performed at SIU-E. They attended "Macbeth" in November at the Loretta Hilton and "Death of a Salesman" in February at Washington U. The troupe was involved with the fourth annual school play, "Here and Now" this past fall, and the third annual Thespian spring play, "Dracula."

CLUBS HOST FUND-RAISERS FOR SERVICE

The Art Club, in an attempt to promote art appreciation among students and the community, did seasonal window paintings at local restaurants this year. Fund raising profits were used to help buy art supplies.

The Science Club, an organization for students with experience in science courses, provides science-related activities for members. All year they raised funds for their spring float trip.

Friends of the Library is a service organization which enables the Library to function daily. This year, the Greenwood Library purchased a copier for use by the teachers and students.

The Vocational Industrial Club of America (VICA) strives to bring out communication between industrial and agricultural students. All year VICA raises money for needed activities. They also sponsor an annual picnic.

AWARDS, TRIPS PART OF LANGUAGE CLUBS

Due to much hard work and dedication, the CHS Latin Club carried home the District Trophy from the State Latin Convention. This past year, the convention was held in East St. Louis.

In addition, the Latin Club set up a new committee this year. This committee is responsible for recruiting new members for the years to come. They work primarily on the in-coming freshmen.

To raise funds throughout the school year the Latin Club held bake sales and car washes.

Towards the end of the year, the Latin Club planned a trip to Six Flags Over Mid-America. They also had their annual banquet.

Mr. Tom Arriola, foreign language teacher, sponsored both the Spanish Club and the French Club. Because of this, the two clubs engaged in most of their activities together.

This year, as in the past, the Spanish Club enjoyed a dinner at "Hacienda," a spanish restaurant in St. Louis. They invited the French Club to join them for a taste of Latin American Food.

The French and Spanish Clubs sold candy bars this year in order to raise money. They planned a trip to Six Flags. They also tested their skills in rollerskating and bowling.

The German Club did not have any fund raising projects for fear of becoming a club that is a club-centered on fund raising, according to the sponsor, Mr. Bob Edwards.

One of the German Club's main projects this year was sending a group of German Club members to Germany during the Easter vacation at the student's own expense.

BAND SENDS 7 TO IMEA STATE

The CHS Band experienced several changes this year. Due to the district financial situation there is no longer an assistant band director. However, band students now receive full credit towards graduation.

Besides performing their five annual concerts, the band participated in many school events. Throughout the year the band also gave special performances, including those at Stouffer's and the Metro-Classic at Kiel Auditorium.

Bruce Austin, Mary Clark, Bonnie Fresen, Doug Gilliland, Laurie Janas, Kathy Johnson and Tony Kuhn were selected for the IMEA State Band in December.

To prepare for performances, the band practiced outside of class five hours a week during marching season and three hours a week during concert season.

On March 4 numerous soloists and ensembles received high ratings at music contest.

TOM HOLTZSCHER TO ALL-STATE

Chorus students received full credit toward graduation this year.

The students performed two concerts, "Sounds of Christmas" in December, and "Jubilee of Songs" in April.

Fourteen students participated in the IMEA District 6 Festival at SIU-E in November. Several members of Chorus auditioned for the All-State Chorus; CHS auditionee Tom Holtzcher was selected.

In March the Chorus participated in a Choral Workshop at SIU-E. At music contest March 4 a number of soloists and ensembles received high ratings.

The Chorus also performed at the Annual Community Thanksgiving and Easter Services and participated in the school assemblies.

ATHLETIC COMMITTEE HOST FUND-RAISERS TO SAVE CHS SPORTS

The Save the Kahok Athletic Committee, which was dissolved January 1, 1978, was formed in May, 1977 to save the sports at CHS.

Last May, the Unit 10 School Board was faced with many cuts, due to the failure of passing a tax referendum. The board said unless $18,000 was raised there would be no sports at CHS in the 1977-78 school year.

In an attempt to save the sports a committee, which consisted of 13, was selected. Mr. Fred Krietemeyer was chosen chairman, Mr. Al Weider, co-chairman, Mr. Bob Hess, secretary and Mr. Bob Knecht, treasurer.

The committee received the donation of a 1977 Ford Granada from Bo Beuckman. The car was raffled off at the 1977 July downtown merchants annual sidewalk sale.

The Collinsville Soccer Association donated $1,000 on the first $10,000 that was raised by the committee. Bitzer-Croft Motors donated the use of two vans to provide transportation for the basketball players throughout the entire season, saving the district about $1,600.

Mayor Lewis Krause recommended to the Collinsville City Council that the city pay the entire bill for police security and traffic control at all home events.

Mr. Weider delivered a check in the amount of $15,461.65 to the School Board at its September, 1977 meeting. The figure represented the $18,000 deficit in the athletic budget minus $2,538.15 of services donated (police and ambulance service and the two vans for transportation of the basketball players).

In Mr. Weider's letter of transmittal, he said that the remaining $3,853.83 would be allocated to the 12 programs that were in existence when the committee was formed.

Under this plan, there was $1,055.75 for the boys' football, $562.75 for boys' basketball, $425.35 for wrestling, $732.85 for cross country, $51.25 for golf and $246 for soccer. There was $76.85 for girls' volleyball, $153.73 for girls' track and $71.75 for girls' tennis.

Through the efforts of the Save the Kahok Athletics Committee and the people of Collinsville, the CHS sports program was saved in its entirety.

GRIDDERS WIN HOMECOMING GAME

The CHS Kahok Football Team improved their previous year's 1-8 record to a much improved 4-5 season record.

The Kahoks attributed their success to an experienced senior class combined with talented juniors and sophomores.

This year, the Kahoks changed their usual Homecoming routine of losing by winning the Homecoming game against Granite City South. It was the first time since 1974 that the Kahoks had won the Homecoming game.

Four CHS senior gridders were named to the Southwestern Conference All-Star first team.

Senior Rick George led all receivers with 505 yards and led the team in scoring with six touchdowns. George was also named as the Kahoks most valuable player for the second consecutive year. George was named to the All-Conference team as a defensive back and wide receiver. He was also chosen as an All-District defensive back by several newspapers.

Classmate Rob Jackstadt was selected as the first team All-Conference quarterback. Jackstadt connected on 40 of 106 attempts for 696 yards and six touchdowns.

Linebacker Doug Albrecht, a three-year letterman, was selected as a member of the All-Conference first team. Albrecht was also a co-captain of the team.

Better known for his soccer talent, Greg Bohnenstiehl became a first team All-Conference punter in his first year of playing football.

Senior co-captain Joe Camillo led the Kahoks in rushing with 552 yards.

The 1977 Kahok Cross Country team was young and building for 1978, according to Coach Stan Schaffer.

The team was led by freshman sensation Mike Erney, who was voted the most valuable runner on the squad by his teammates. He placed first in three varsity meets and won the Edwardsville Freshman Invitational meet.

Top senior performer and number two man for the Kahoks was John Renfro, who suffered from injuries much of the season. He was usually the second or third Collinsville runner to finish in meets.

Captain of the squad was Chuck Stowers. He and Pete Harding, both seniors, were the number three and four runners on the team.

Another top finisher was senior Martin Duke, who came on strong at the end of the season.

The Kahok harriers placed 16th of 22 teams in the Triad Invitational and 13th of 15 teams in the St. Paul Invitational.

LADY NETTERS ADVANCE TO STATE; END SEASON WITH ONLY 2 LOSSES

The Lady Kahoks had another impressive season ending their season of play with a 9-2 record. The Kahoks only two loses went to McCluer and Belleville West.

Senior Peggy Welle received first place in the District Tournament and third in the Belleville East Invitational Tournament. Welle also qualified for state in the singles competition.

Junior Cathy Stringer placed first in the Belleville East Invitational Tournament and second in Districts. Stringer also qualified for state in the singles competition.

Melinda Hopper and Patty Tiddy received third place in the doubles competition at the District Tournament. The double partners also qualified for state, which was held in Arlington Heights, Chicago.

GIRLS WIN VOLLEYBALL DISTRICTS

The volleyball team defeated both Highland and Edwardsville to win the District Title, but was defeated by Belleville West at the sectional game this year.

The girls ended the year with a season record of 8-5.

Senior Barb Welle, for the second year, was the top leading scorer with a total of 125 points. Welle led the regular season scoring with 90 points, picked up 30 extra points at districts and was the fourth highest scorer at Sectionals with five points.

Another senior, Cindy Wilson, was the second leading scorer with a season total of 110 points.

Other top scorers for the year were sophomore Kim Brombolich with 85, senior Brenda Holdener with 67, junior Kay Wagoner with 52 and senior Tana Compton with 48 points.

KICKERS WIN CONFERENCE TITLE

The Kahok Varsity Soccer Team finished their season with an impressive 17-3-2 record, a big change from the previous year's record of 12-7-3.

The Kahok Kickers won the Southwestern Conference Championship. They also won the Alton sub-sectional.

The Kahoks ended their season with a 3-0 loss to Granite City South at the Granite City South Sectionals. It was the second consecutive time that the Kahoks had reached the finals of the Sectional Tournament.

The Kahoks were led by senior Gregg Bohnenstiehl, who scored 22 times to lead the team in scoring. Bohnenstiehl consecutively set a CHS record for most goals in one season. The previous record was 19 goals in one season.

Bohnenstiehl was selected to the All-Metro East first team. He was also selected to the Coach's Sectional Team.

Another All-Metro East first team player was Gary Wallace. Wallace was also chosen to the Coach's Sectional Team.

Bohnenstiehl and Wallace were the co-captains of the soccer team.

BILL JAGER ALL-AMERICAN SWIMMER

Bill Jager's 100-yard backstroke wins him an All-American status.

The first individual state champion in any sport for the Kahoks since 1948 came from this year's swimming team when senior Bill Jager took the 100-yard backstroke state title. Jager, who is a three-year letterman in swimming, also took sixth place in the 200-yard freestyle at the state meet.

In a preliminary heat earlier at the state meet, Jager gained recognition as a high school All-American when he hit the time of 53.711 in the 100-yard backstroke. This makes him the first Kahok swimmer to achieve this honor.

At the district swimming meet held at Macomb, Jager cleaned up. He took the district titles in the 100-yard backstroke and the 200-yard freestyle and scored almost all the points for the four-man team.

Jager comes from a swimming family and has earned a full four-year scholarship to the University of Illinois for his abilities in the pool.

Jager was the only boy to advance out of the district meet. In the beginning of the year, the girls' swimming team competed, but with limited success.

The teams were coached this year by Mr. Richard Van Hook.

Note: Due to complications with getting the team together for a group picture, a picture of the girls' team was not available for the yearbook.

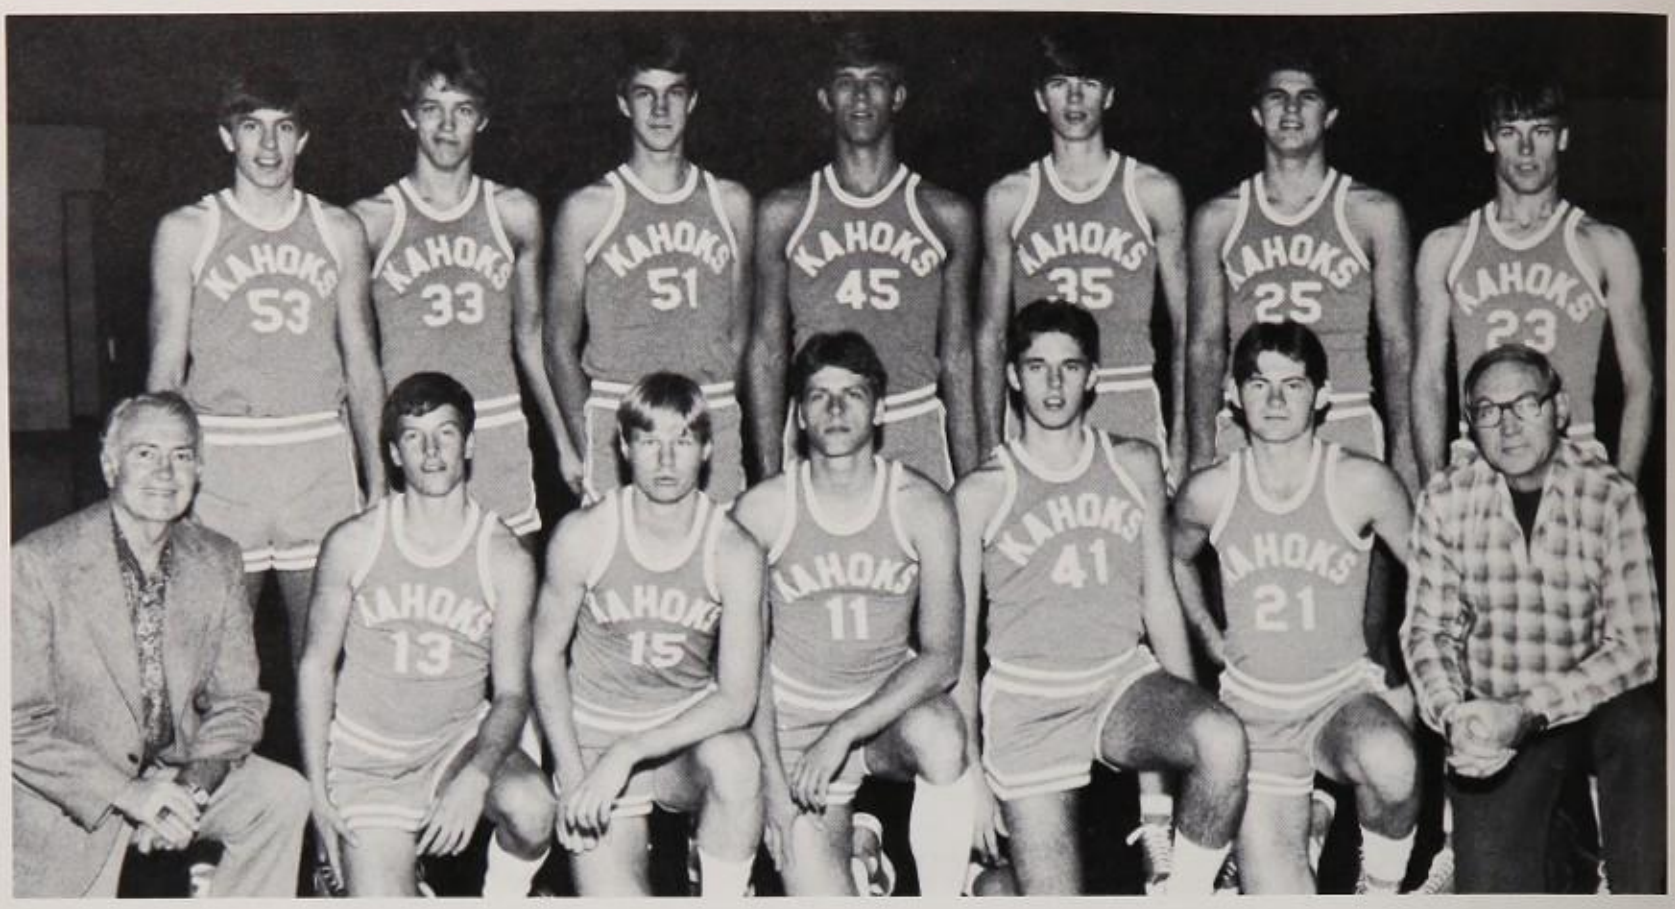
KAHOKS — THIRD AT STATE IN '78



VARSITY BASKETBALL - Front Row: Coach Vergil Fletcher, Scott Carson, Rodger McFarland, Rob Jackstadt, Dan Deets, Mike Jenkins, Coach Frank Pitol. Row Two: Steve Ray, Kevin Stallings, Jim Mosier, John Belobraydic, Gary Kerkemeyer, Don Osborn, Rick George.

Led by tri-captains Kevin Stallings, John Belobraydic and Steve Ray, the basketball team captured the third-place trophy at the State Tournament defeating Rockford East, and ended the season with a record of 28 wins and three losses. All three captains had played on the State Tournament team last year.

The Kahoks scored 2,632 points for the season and averaged 83.9 points per game, while their opponents scored only 1,728 points and averaged only 55 points a game.

One of the top players for the team was Belobraydic. He led the team with the most field goals with 275, scored the most points during the season with 642 and wrapped up the most rebounds with 305. He broke a State Tournament record for the most rebounds in a game with 24, while breaking the CHS record at the same time. Belobraydic was named to the Associated Press and United Press International All-State teams, as well as to the All-Metro East and Southwestern Conference teams.

The star and razzle-dazzle man for the cagers was Stallings. Stallings' ball handling was equal by no one and entertained Kahok fans to no end. He broke a CHS record for the most assists for the season with 284 and led the team for the most free-throws with 116. Stallings also was the second leading scorer with 632 points for the season. He made All-State teams and the All-Metro East and Southwestern Conference teams, along with Belobraydic.

The team handily won the Collinsville Tournament in the beginning of the season, but suffered a upset in the Carbondale Christmas Tournament later on against Herrin.

The Kahoks tied with East St. Louis for the Southwestern Conference title and defeated them in post season play in the Regional Tournament.

The third-place trophy gave CHS a full set of State Tournament trophies. The 1961 and 1965 Kahok teams brought home first-place trophies, the 1957 Kahoks finished second and the 1950 team placed fourth.

JOHN BELOBRAYDIC SCHOLAR ATHLETE

Basketball center John Belobraydic was chosen as this year's CHS Scholar Athlete. The honor is sponsored by the St. Louis Post-Dispatch.

Mr. Rod Woods, Greenwood principal, asked each coach to submit one nominee who had a high academic standing and who had achieved an accomplishment in their sport.

Coach Vergil Fletcher submitted Belobraydic because, "Belobraydic is an outstanding athlete, student and young man."

Mr. Woods said that Belobraydic's supreme accomplishments on the basketball court were the main reasons why he was chosen.

"There were other athletes higher scholastically, but they did not compare to Belobraydic's sports accomplishments," said Mr. Woods.

Belobraydic has helped take a team to the state basketball tournament for the past two consecutive years. This year he broke a state tournament record for the most rebounds in a tournament game.

Belobraydic attended the Post-Dispatch Scholar Athlete Banquet in May at the Chase Park Plaza in St. Louis. At the banquet he was chosen as a alternate for a trip to Chicago, an honor which goes to the top six Scholar Athletes and one alternate.

Among other special recognition for his accomplishments was being named to the Associated Press and United Press International All-State teams, plus area recognition on the All-Metro East and Southwestern Conference teams.

Belobraydic plans to attend the University of Arizona in Tucson to pursue a career in pharmacy.

LADY KAHOKS HAVE FIRST-YEAR TEAM

This was the first year for girls' basketball in Collinsville. The team was coached by Mr. Darrel Malano and Miss Jean Willmore.

As a first-year team, the Lady Kahoks finished the year with a winning record of five victories and four losses. They also had a four-game winning streak at the end of the season where they twice beat a first-year team from Madison and another first-year squad from Edwardsville.

The top player for the Kahoks was Kim Brombolich. She led the team in field goals with 54, free throws with 41, rebounds with 75 and the most points for regular season play with 149.

Brombolich tied with Barb Welle at the end of the year for the most valuable player award, which is voted by the team. Welle set up most of the key plays for the team.

Brenda Holdener was elected for the pride and hustle award for her efforts on the court.

The highlight of the year was the 55-43 defeat of Belleville West during regular season play. West later went on to qualify for the final eight in the State Tournament at Champaign.

During the regular, season the Lady Kahoks averaged 61.1 points per game.

At the end of the year 15 players were awarded varsity letters.

MATMEN 4TH AT DISTRICTS

The 1977-78 Varsity Wrestling team completed their season with a record of four wins and 13 losses and placed fourth out of nine teams at the District Tournament.

Senior Brad Vacca was voted team captain, most inspirational and most valuable wrestler by the team. Vacca took first at the Districts in the 167-pound weight class, but was eliminated in the opening round of the Sectionals. Vacca also led the team with the best record with 25 wins and eight losses.

Senior Bill Eberts and Vacca tied for the most pins of the year with nine each.

Junior Dave Gaumer captured a first at Districts and went on to get fourth place at Sectionals.

Another junior, Tom Harvengt, placed fourth at Districts and broke an individual season record for the most escapes with 25.

As the season came to a close, Coach Joe Spurgeon announced that this would be his last year as Varsity Wrestling coach for the Kahoks. Coach Spurgeon had been the head coach for the grapplers since 1972.

The boys' Kahok track team this year was led by field team standouts Ted Stites and Roger McFarland. The team ended the season with a 5-4 record.

Stites and McFarland were the only Kahoks to qualify for the state meet. Stites went in the long jump where he jumped 22 feet, 1 and one-fourth inches in the finals. McFarland went in the discus with a throw of 152 feet, 2 inches after scratching twice in the finals. Both Stites and McFarland made honorable mention on the Southwestern Conference Track Team.

Although they did not have a winning season, the Kahoks broke two records. The 440-yard relay team of Dave Camillo, McFarland, Stites and Andy Leiner set a school record with a time of :45.1. The other record broken was a Granite City South Invitational record. John Lacopo ran the 70-yard high hurdle with a time of :09.0.

At the awards banquet held at the end of the season four awards were voted on by the team and one by the coaches. The outstanding sprint performer was Lacopo, freshman Mike Erney won the outstanding distance performer honors, the outstanding field performer award went to McFarland and the most valuable track performer award went to Stites who earned 245 points along with going to the state meet. The coaches' award went to Leiner for his perseverance and effort throughout the season.

LADY KAHOKS END YEAR WITH 1 LOSS

The Lady Kahok track team this year finished the season with a winning record of six and one. The Kahoks also took first place in the Madison County Meet at Granite City and placed fourth at the Granite City South Invitational.

The team was led in scoring by distance runner Alecia Martin who scored 90 points in the course of the year and was voted the most valuable track runner by the team. Martin also broke two records this year. The first was in the mile run with a time of 5:48.8 and the second was in the two mile where she set a time of 12:14.2.

Three other team records were broken by members of the team this season. Peggy Welle, who placed fourth at state, and won the coaches' award for track, broke the 880-yard record with a time of 2:18.4. Shelly Langley, who placed sixth at the state meet, broke the high jump record when she cleared the height of 5'5". The final record broken was the discus record held by Melinda Hopper. Hopper broke her own record in the event when she threw a distance of 103'4". Hopper was handicapped later on in the season after she suffered a burn to her hand.

The star of this year's boys' tennis team was freshman Jay Leskera. Leskera had the best match win-loss record of anyone on the team and just missed qualifying for the state meet. One of the longest tennis matches in the state history was played by Leskera at the district. In a three-round tie-breaker Leskera played for three hours in a match which he lost in the end.

Also at the districts, sophomore Kelly Mannering and freshman Kenny Holbert placed third in doubles play.

Note: Due to the fact that the tennis score book was destroyed at the end of the year by the coach there were no results available for publication in the Kahokian.

Dan Deets, winning pitcher, relays the feeling of happiness the Kahoks feel after winning the Regional Championship.

After getting off to a late start in the beginning of the season the Baseball team came on strong towards the end. With the help of pitchers Dan Deets and Greg Peters the Kahoks captured their first regional title in a long time and ended the season with a winning season.

The highlight of the season was the 5-1 defeat of Southwestern Conference powerhouse Edwardsville. The Kahoks were the underdog in this game, but pulled out the victory to turn around their season.

At the end of the season three members of the team won a place on the Southwestern Conference Baseball Team. They were pitchers Greg Peters and Dan Deets and shortstop Mike Fernandez.

SQUAD WINS FOURTH AT STATE.

"Hoping for a trip to STATE" shows on the faces of the varsity cheerleaders after the Regional Championship victory.

The JV cheerleaders realize that even the simplest pyramid requires full team effort.

Leading the students during the school fight song is an important part of a cheerleader's duty, as the Frosh/Soph squad learn early in the year.

This year the cheerleading squad placed fourth at the State Cheerleading Championship which was held at Bradley University. About 23 schools participated in the finals. This marked the first time the Collinsville cheerleaders have participated in this event.

At summer camp at Macomb the squad placed first, with a chance to go to the grand nationals. However, due to lack of money, the girls were unable to compete in the grand nationals.

Senior Patty Willmore, an eighth year cheerleader, was honored with a cheerleading scholarship to St. Louis University, which she turned down for several reasons.

In September, the IHSA outruled pyramids. The ruling was a result of a cheerleader in Kentucky who broke her neck attempting an aerial dismount off of a four-person pyramid. Thus the squad was unable to do many of their pyramids in competition and had to make up several new cheers.

Many fans flocked to Kahok games this year, but perhaps the highlight in some games was the half-time performance of the Pom-Pon Squad.

The Pom-Pon Squad performed at many school events with the CHS Marching and Pep Bands including parades, assemblies, football, basketball and soccer games. This year, the squad also performed at Stouffer's Inn and entertained for senior citizens.

Before any sporting events began, the squad attended a camp at Vincennes University in Indiana, where they brought home a first-place trophy.

The girls all agree that "being a pom-pon girl is a lot of work, but is very rewarding."

The sponsors this year were Mrs. Renee Taake and Mr. Richard Timko.

LETTERMEN DONATE SERVICES,MONEY

The Monogram Club is made up of students who have excelled in high school athletics and display character synonymous with high school sports.

Among the activities that the Monogram Club participates in are selling programs at football and basketball games, serving refreshments, ushering at basketball games and also video-taping the games of the basketball Kahoks.

Through proceeds collected through these projects, the Monogram Club has donated generously to the Save the Kahok Athletics fund, to the football team for new equipment, a large supply of balls for the golf squad, a pitching machine for the baseball team, and in the past the Club has been responsible for the purchases of the video-tape camera, the football blocking sled, uniforms for the cheerleaders, the marquee in front of the Vandalia Campus Gymnasium and donations to various organizations.

For the efforts of the Monogram Club, members enjoy banquets periodically through the year at no cost to them. The sponsor this year was Mr. Frank Pitol.

The Fellowship of Christian Athletes is an organization of athletes and cheerleaders that meet on a semi-regular basis for an evening of Christian fellowship throughout the year. The meetings are loose and open for almost any kind of discussion.

A bake sale was held during the year to raise funds to help send members to the National Conference over the summer.

A banquet was also held at Roustio's Restaurant.

Members will attend a National Conference over the summer at either the University of Arkansas or Colorado State.

LOCAL CONCERTS ATTRACT STUDENTS

Music plays an important role in the lives of CHS students. Since Collinsville is located in the greater St. Louis metropolitan area, the students have access to Kiel Auditorium and the Checkerdome, where some of the nation's biggest concerts are held. Many attended Superjam '77 featuring REO Speedwagon and Judas Priest, as well as concerts by Styx, Bob Seger, Ozark Mountain Daredevils, Emerson Lake and Palmer, and Rush.

The Marshall Tucker Band was the opening group in the Mississippi River Festival this past May. Students will remember Queen, whose hit, "We Are the Champions," was the theme song during the state basketball finals. Fleetwood Mac had the largest selling album of the year, closely followed by Peter Frampton. Alice Cooper, with his stage show, "Welcome to My Nightmare," was another student favorite this year.

JUDAS PRIEST - Rob Halford, Ian Hill, Glenn Tipton, Les Binks, K. K. Downing.

Several other music personalities have received special recognition from the students. Among these are Harry Chapin, Jay Ferguson, Gary Wright and Jackson Browne.

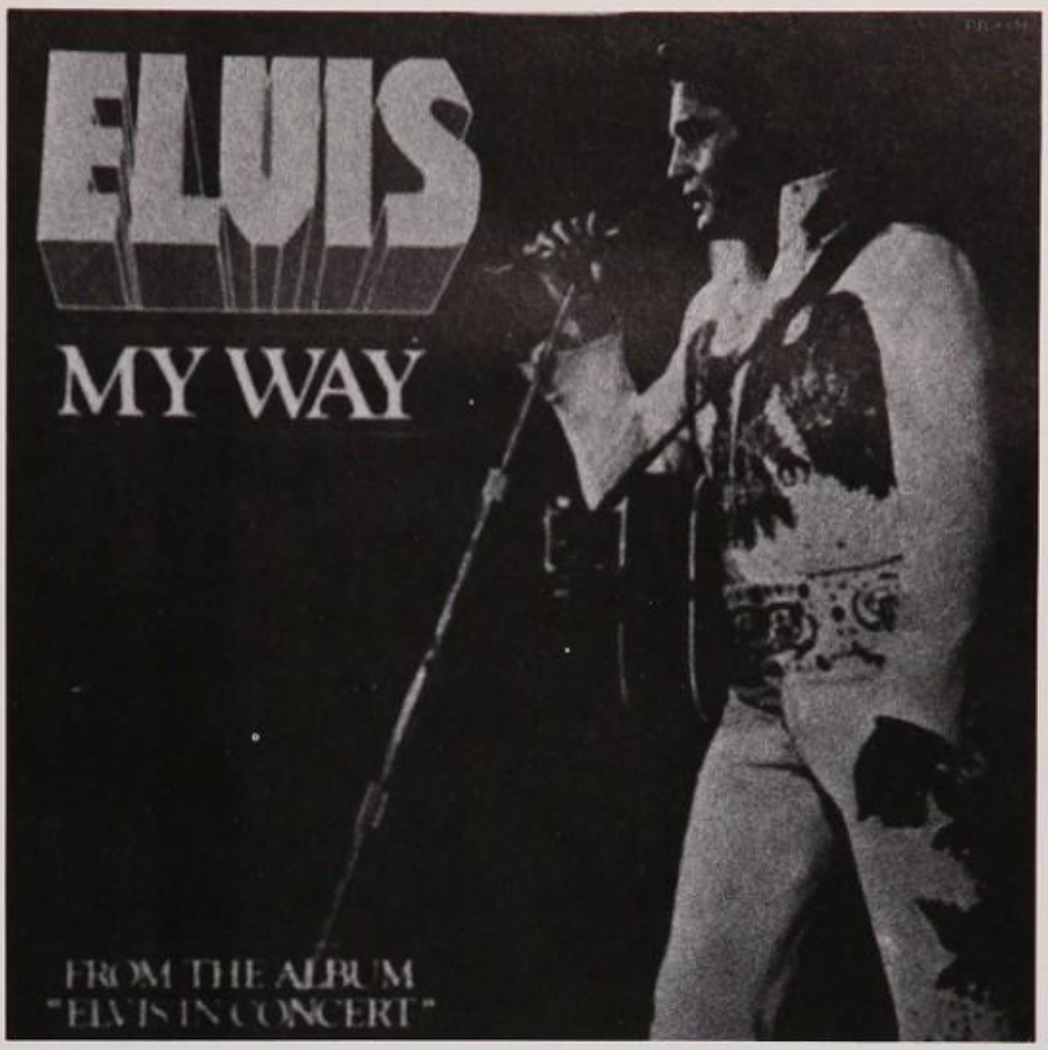
ELVIS, LYNYRD SKYNYRD LIVES END

Ron Furrer performs for Elvis fans at Sonny and Char's in Collinsville in "A Touch of Elvis".



"Elvis In Concert" is one of Elvis' many popular albums.

Elvis Presley, the King of rock 'n' roll, died August 16, 1977. His death marked the end of an era that had changed America in both music and styles.

When Elvis first appeared on TV in the late 1950's, his style was considered vulgar by many parents. But young Americans were drawn to his fusion of music and sex that had long been denied the youth.

Elvis skyrocketed the record sales. He was swamped with offers from all over the world. In 1958, he was drafted by the U.S. Army. But his image was kept alive. When he was released from the Army in 1960, people were still drawn to him. His record, "Stuck on You/Fame and Fortune" sold 1,000,000 copies in six days.

He made movies and his albums were gold. But it couldn't last forever. His once young audience was now middle-aged. By 1974, he was emotionally and physically exhausted. He withdrew from the public's eye.

Although he is gone, his music lives on. Many people are now imitating him. One that Collinsville locals are familiar with is Ron Furrer, with his show, "A Touch of Elvis."

A plane crash took the lives of three members of the rock group Lynyrd Skynyrd. Ronnie Van Zant, lead singer, Steve Gaines, lead guitarist, and his sister Cassie Gaines, vocalist, were killed October 20, 1977 when their plane, enroute to Baton Rouge for a concert, crashed in McComb, Mississippi.

Their top songs include "Free Bird," "Sweet Home Alabama" and "What's Your Name." The surviving members may perform again, but never under the name Lynyrd Skynyrd.

Although both Elvis Presley and Lynyrd Skynyrd are gone, they will long be remembered by students and the world alike for the image they left behind.

"Street Survivors" was the last album released by Lynyrd Skynyrd before the tragic deaths of three group members.

A school board controversy and some administrative switches created several changes in the Unit 10 system this year.

On September 19, Mrs. Violet Fletcher was seated on the school board after a five-month controversy.

The April 9 school board election showed Mrs. Shirley Highlander took one of the two vacant spots and Mr. Joseph Kurtak the other. The vote tally showed that Mr. Kurtak defeated Mrs. Fletcher by only 10 votes.

After learning that some votes declared "spoiled" might have been good, Mrs. Fletcher took the election results to court.

A spoiled ballot simply means that an "x" was placed in a box marked incorporated or unincorporated area. This step was only necessary for a write-in candidate.

A recount was ordered and on August 3, the recount showed Mrs. Fletcher had won over Mr. Kurtak by 11 votes. Mr. Kurtak decided not to take his case to the

MR. WOODS ENJOYS JOB OF PRINCIPAL

This year marks the fifth year Mr. Rod Woods has been principal at CHS, Greenwood. Before coming to CHS, Mr. Woods was principal at Webster Jr. High and Hollywood Heights Elementary. Mr. Woods attended SIU Carbondale and Edwardsville and as for his job he says, "I'm happy being a high school principal, I love it and I wouldn't want to do anything else."

MR. GUSE BECOMES VANDALIA LEADER

Mr. John Guse, after being assistant principal of Vandalia for five years, took over the job as principal this year at Vandalia Campus. Mr. Guse spent 20 years at East St. Louis as an instrumental music teacher and administrator. When his job affords the new principal some free time, he enjoys photography and aviation.

appellete court and therefore resigned his board position.

Students at both campuses saw some different administrators in their building this year.

Ms. Margaret Linder, after 38 years of service to Unit 10, retired leaving a vacant spot at the Greenwood Campus. She was not replaced.

Dr. Freeman Hopper, assistant superintendent of secondary schools, was moved to Greenwood Campus to handle attendance. In addition, he maintained his duties as assistant superintendent.

Mr. Reese Hoskin, assistant principal, was transferred from Greenwood Campus to Vandalia Campus after Mr. John Guse was promoted from assistant principal to principal of Vandalia Campus.

Mr. Ed Phelps, former Vandalia principal, now works in Elk Grove, a Chicago suburb.

DR. HOPPER MOVES TO GREENWOOD TO TAKE OVER ATTENDANCE DUTIES

The 1977-78 school year became a year of change in December, 1976. It was at that time the voters of Unit 10 went to the polls and turned down a 32-cent tax rate increase by a two to one margin.

The school board immediately took up the grim task of chopping away at the budget, trimming the lean as well as the fat, until it represented a mere shadow of its former self.

As the new school year dawned in August, students were greeted with a six-hour day (7:30 a.m. to 1:30 p.m. at Greenwood and 8 a.m. to 2 p.m. at Vandalia) and by fewer teachers, whose ranks were cut by the sharp edges of school board budget cutting knives.

Some programs were hit harder than others. All CHS athletic programs were scratched off the budget sheets-a cut which seemed to upset the public more than the numerous academic cuts.

A public fund-raising committee was established, and through numerous fund-raising activities, including a new car raffle, more than enough money was raised to keep the proud Kahok sports tradition alive.

The year saw P.E. become an elective for the seniors and juniors for the first time at CHS. Freshmen and sophomores were limited to four academic subjects, thus making it nearly impossible to graduate early.

There were proposals to close the Vandalia Campus, moving all high school students to Greenwood, or, to hold morning classes for freshmen and sophomores, while juniors and seniors would attend in the afternoon.

But in the long run, none would have saved as much as the six-hour day, so they were shelved.

Other areas weren't as lucky as the athletic program.

All non-tenured and 10 tenured teachers were released from their jobs by March, but by September, most were re-hired, but not all. Several left Collinsville to take jobs elsewhere.

Secretaries, custodians, cafeteria workers, counselors and library aides were also laid off. Extracurricular activities were reduced, and each student, whether in the band or on the debate team, felt the resounding "no" of the Unit 10 voters. Everybody from the cheerleaders to the school newspaper felt the budet cutters' cleaver.

With reluctance, the board reduced Unit 10's operational costs as best they could.

While some students questioned the quality of their education, others seemed to enjoy the shorter school hours. Many juniors and seniors were unhappy because with the new scheduling the administrators felt there was no longer any need for open campus, therefore, that policy was eliminated. Others found that the six-hour day better accommodated their work schedules.

Even though it took a little more effort than in previous years, it seemed, by year's end, that most of us had emerged from these hallowed halls, still wondering how we had managed to survive and wondering what 1978-79 would bring.

KUNCL, FYIE 'TEACHER OF THE YEAR'

Miss Janet Kuncl, English teacher at Greenwood Campus, and Miss Vicki Fyie another English teacher at Vandalia Campus, were the students' choice this year for "Teacher of the Year".

Miss Kuncl, who began working at Collinsville 22 years ago, was first a registrar for 11 years and has been teaching for the last 11 years. This year she was Senior Class sponsor, English Department chairman and sponsor of the National Honor Society. Her hobbies include listening to music - both classical and mood. Miss Kuncl also graduated from CHS.

Miss Fyie has been teaching for five years at Vandalia Campus. Her hobbies include working in stained glass, macrame and plants. Miss Fyie graduated from high school in Chicago.

Mayor Lewis Krause presents Social Science department head, Mr. Jack Gilmore, with a volume of the Collinsville Municipal Code.

At the departure of Mrs. Elinor Aye, Mrs. Judy Bieser took over as Spanish teacher at Vandalia Campus.

Mr. Rich Hamilton and his student teacher, Mr. Dave Rauh, discuss the day's events during their supervisory period.

Mr. Ron Adams fascinates many CHS students with his famous storytelling.

MR. NELSON BROADCASTS CHS SPORTS ON WIBV-AM

Students who were unable to attend Kahok basketball games, but listened to them on WIBV-AM, probably found themselves listening to Mr. Mark Nelson, Greenwood speech and drama teacher.

Mr. Nelson is a broadcaster for WIBV Radio in Belleville and has been for five years. This season, he broadcasted 15 of the Kahok basketball games, home and away.

Including college, Mr. Nelson has been broadcasting for the past 10 years for several stations. One was WGNU in Granite City. Mr. Nelson broadcasts football and basketball games, not only for Collinsville, but for such schools as Belleville West and Belleville Area College.

When broadcasting Kahok games, Mr. Nelson finds it hard not to feel partial for CHS in a close game. "The key to a good broadcast is to be impartial. Make it exciting no matter what the score is, but in a close game, it's hard to keep the impartial feelings back," he said.

"I learn faces of the players. I never call out a number because the people listening know names, not numbers."

This season, Mr. Nelson was part of the broadcasting team in the Class A State Championship. His other state broadcasts were in 1975 where Class A Champions were Venice and Class AA Champions were Wendell-Phillips.

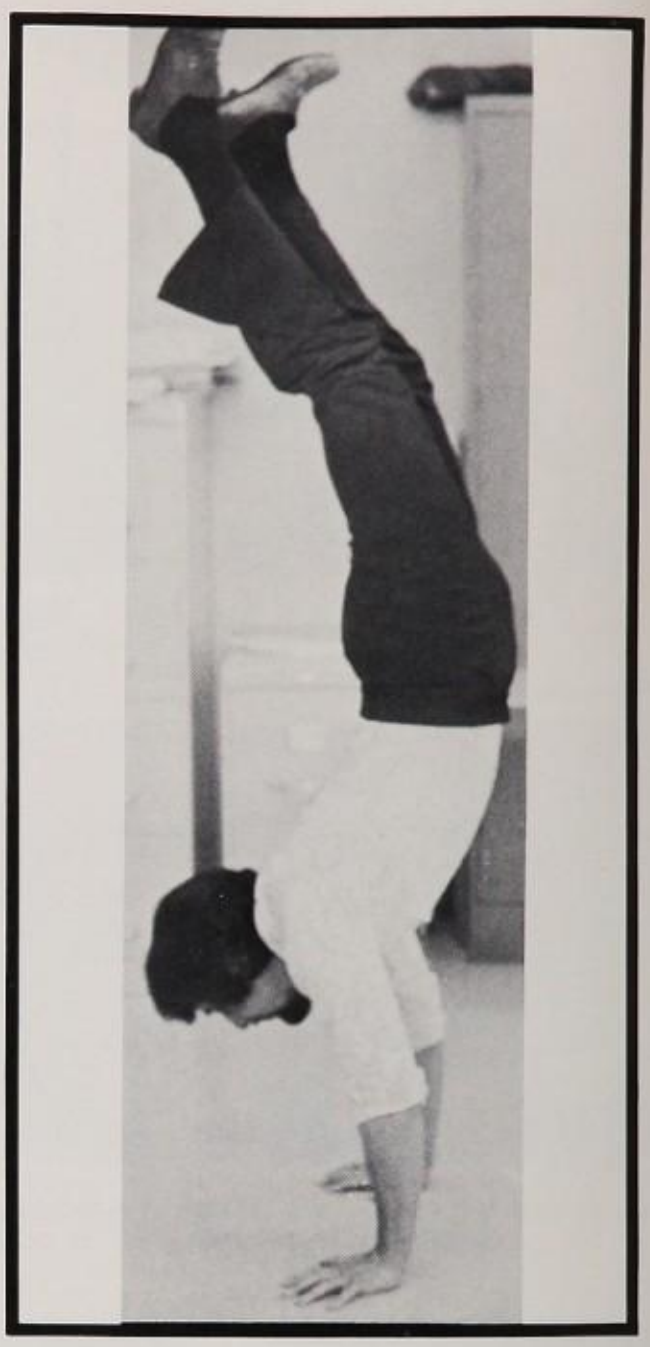
OFFICE WORKERS-VANDALIA — Front Row: Cristy Baer, Janet Palovick, Carol Tarr, Barb Lang, Doreen Riley. Row Two: Mary Ann Hankins, Sandi Hall, Tammy Rodgers, Janet England. Row Three: Brenda Arnold, Sandy Williams, Bev Massa, Cathy Peck. Row Four: Babette Economy, Pat Hendrickson, Linda Dieu.

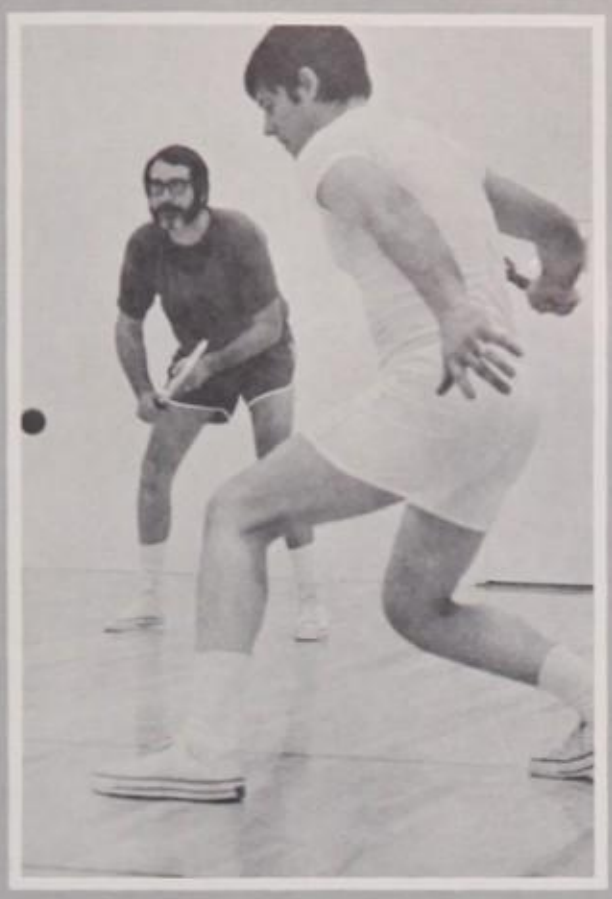
Mr. Rich Timko, Psychology teacher, is proof that even sometimes teachers take chances on cafeteria food.

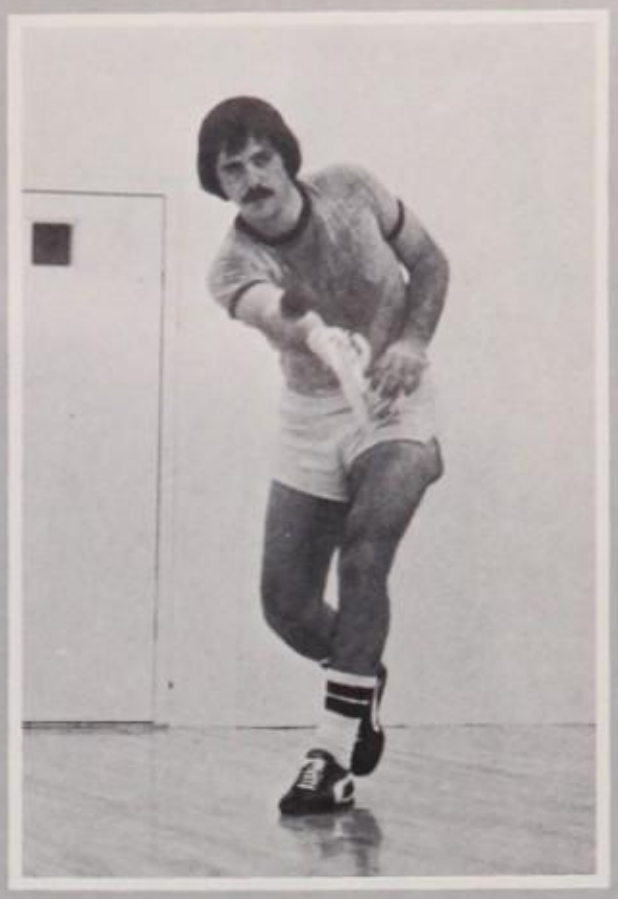


Besides keeping in shape, Mr. Tom Arriola, foreign language teacher, claims that doing handstands also helps relax the body.

Mr. Rod Woods, principal, pulls the fire alarm in preparation for Greenwood's first fire drill.

RACQUETBALL POPULAR WITH FACULTY





PROMOTES FITNESS, COMPETITIVENESS

A teacher's racquetball league was founded among several Collinsville teachers in mid-December primarily to promote physical fitness and competitiveness.

Mr. Charles Suarez, Spanish teacher at Greenwood Campus, first introduced the idea of the racquetball club league to other teachers. The idea caught on quickly and Mr. Suarez was elected Commissioner.

Mr. Suarez made arrangements with the Fairview Racquetball Club to hold courts on Friday for the league. A few teachers were already club members, so those who weren't, joined, receiving a discount.

The league met once a week to play and standings were kept by Mr. Suarez. The other teachers in the league were Mr. John Ostanik and Mr. Stan Schaeffer of Vandalia, Mr. Joe Naylor, Mr. Jim Melton, Mr. Ed Musso, Mr. Richard Holloman and Mr. Charles Suarez of Greenwood. Mr. Paul Oldham and Mr. Tom Sneed of the Area Vocational Center and Mr. John Grahman of Lanham, were other league players.

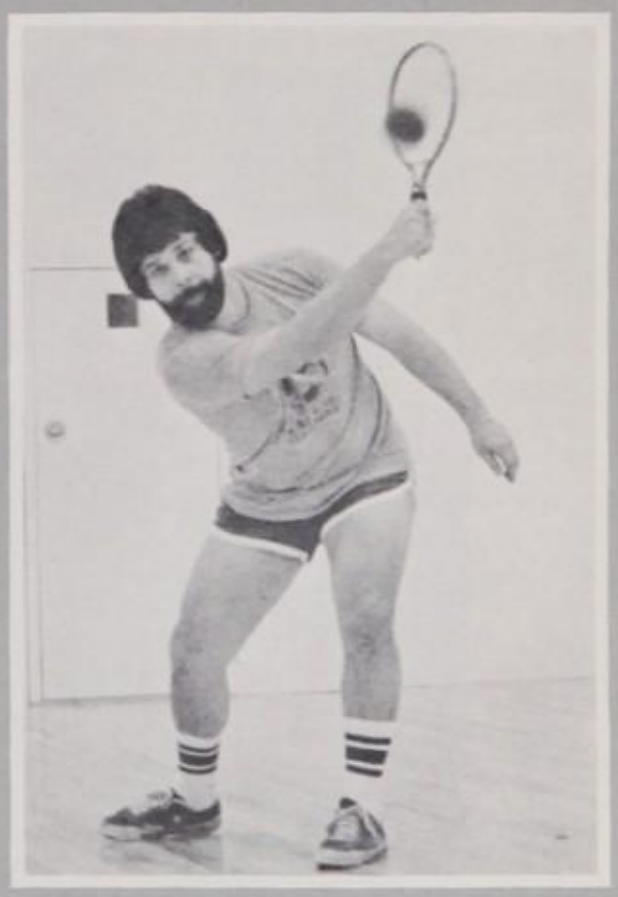
The league was fairly balanced, but Mr. Schaeffer and Mr. Melton had proved to be the superior players. The league finished in early March and the standings were as follows, ranging from the top to the bottom: Mr. Schaeffer, Mr. Melton, Mr. Suarez, Mr. Holloman, Mr. Oldham, Mr. Graham, Mr. Musso, Mr. Sneed, Mr. Ostanik and Mr. Naylor.

However, the win-loss record is not of real importance. The competitive spirit and "the battle of the buldge" weight loss were the main ideas behind the league.

As for the game itself, racquetball is a fast growing game, similar to handball. It is played in an enclosed court, using a hollow rubber ball and a short racquet, similar to a tennis racquet. The game is played against a back wall. The idea is on the volley, not to let the ball bounce twice on the return.

The game is quick and requires fast reflexes and agility. The skills required are few, but a quick game and good workout are obtained. "I like it personally because you don't have to have a lot of skills, and you can go right in and play without lessons," said Mr. Suarez.

by Regina Adams



Clockwise: Mr. Paul Oldham, vocational looks is disbelief as Mr. Tom Sneed also Vocational, returns his volley.
Mr. Oldham powers through his serve as Mr. Sneed waits to volley the ball.
Mr. John Ostanik, Vandalia, shows good form, good swing, but fails to make contact with the ball.
Racquetball Commissioner Charles Suarez, of Greenwood, successfully completes the volley.

CLAUDIO DE CAMPOS VISITS CHS

Claudio de Campos, an exchange student from Londrina, Brazil, spent the second semester here at CHS. He is 16 years old and attended Greenwood Campus as a sophomore.

One of his first comments was in regard to the students. He said he found them "friendly, sometimes." He added that he felt he made more friends because he was an exchange student.

Claudio finds our school much different from his home school, which is a private one called "Institute Filadelfia de Londrina." The classes, he commented, don't change, the teachers do. He also noted that they don't get to choose their classes, but that they are assigned to them.

His classes at home included math, chemistry, English and Portuguese. His favorite class here was "Film and Printing."

THREE JUNIORS DIE IN CAR CRASHES

Three juniors were killed in car accidents this year. They were Tina Crowell, Carla Garcia and Hank Walker.

Tina and Carla were killed in a head on collision January 14. The accident occurred on West Country Lane.

The other junior, Hank Walker, was killed February 18, when his car was hit by a train on Black Lane.

TOO FAST TO LIVE

Too fast to live,
Too young to die,
How quickly time for life goes by.
When you are young,
it always seems,
You'll have forever for your dreams.

You hope, you plan,
you try to show,
The course of life by which you'll go.
Life was short,
for those who are gone,
but marks are left,
To carry on.

SENIOR SUPERLATIVES

At the beginning of the second semester the senior section staff of the Kahokian sent out questionnaires to the senior class seeking their vote for the "senior superlatives." The response is printed throughout the next few pages with pictures and captions. We hope yu enjoy finding out who the top vote-getters were for student leader, most mysterious, class artists, most athletic and the rest.Thanks, seniors, for your cooperation in gathering the information.

'THESE WERE THE DAYS OF OUR LIVES'

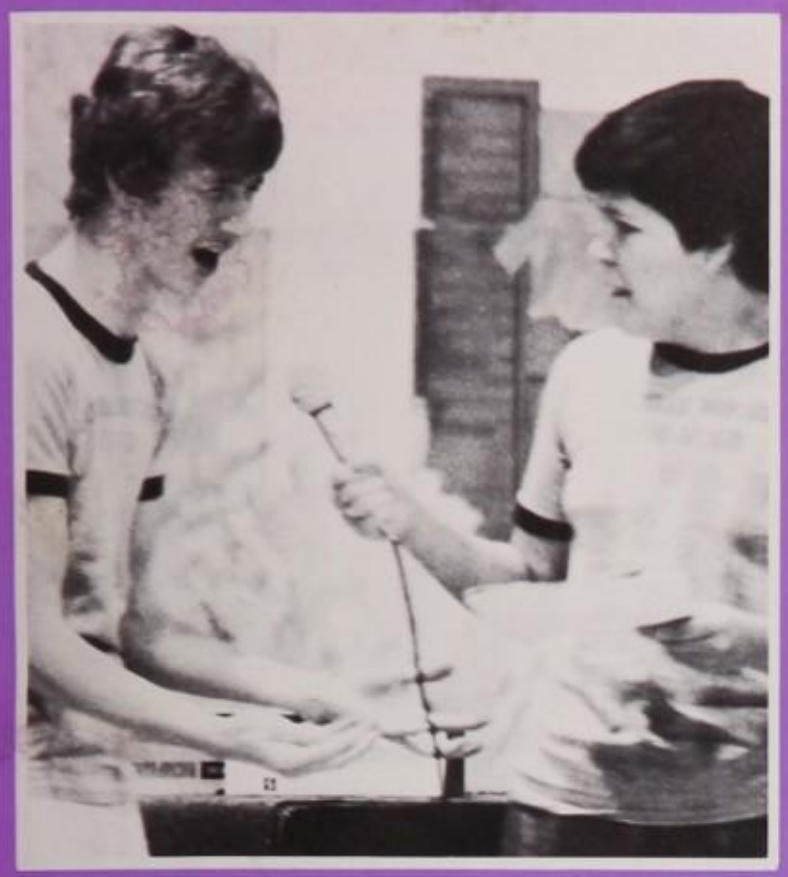
Bob Hall is lead vocalist for the rock band "Spectre" which performed at the Senior Assembly.

During the Senior Assembly, as is tradition, each senior who has been a maid during her high school days is introduced and takes her final bow before her classmates.

The secretarial class, realizing the importance of a job interview, demonstrates the what-not-to's of an interview. Peggy McCain interviews one of the applicants.

Other applicants nervously wonder what will happen when it is their turn to be interviewed.

The CHS Pep Band played selections throughout the Senior Assembly.

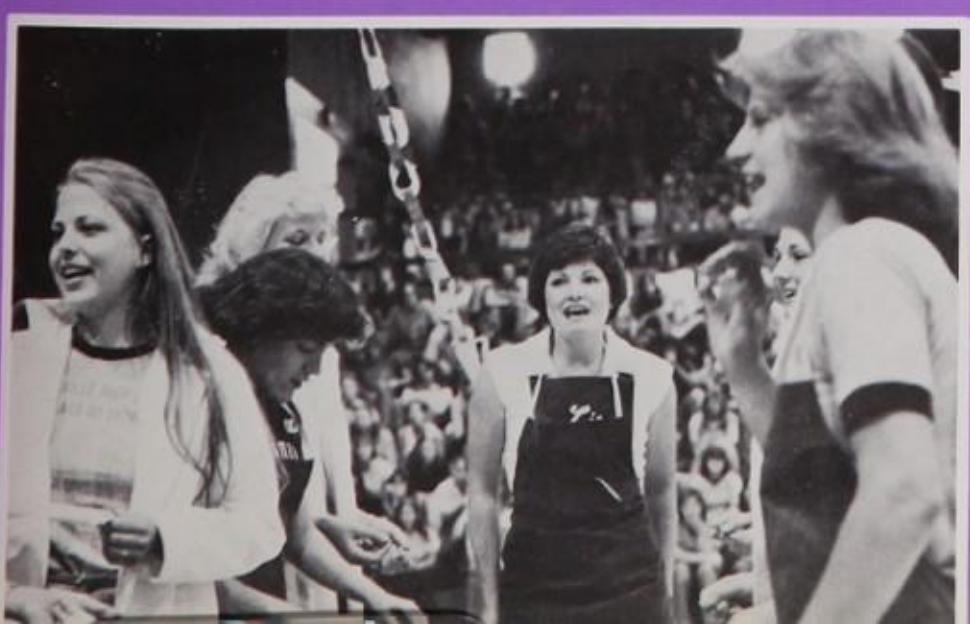


"Please, Dr. Hopper (Monica Blackburn), don't drop me from class-I won't be able to get into college now," begs Bryan Smith.

The Class of '1978' watch with mixed emotions as their fellow classmates role-play the past four years.

Mr. Rydgig's physiology class instructs the students on how to properly disect a cat.

Annually, the seniors have an opportunity at the end of the year to re-live their high school days.



The seniors recaptured their high school days for their classmates and the rest of the student body at the annual Senior Assembly, June 2. The Class of 1978 recalled their days in Driver's Training, Secretarial Practice and Physiology.

They highlighted the "humorous" aspects of their school days-the "do not admit list," visitors walking in the halls without passes, wearing combat boots in the Fletcher Gym, students being smarter than the teachers and being "too darn cute, and the "prison" library containing only the works of Mr. Frank Pitol.

The senior athletes bring back the pom-pon squad's popular "Short People" routine. To the left is King Kong a souvenir from the 1978 Homecoming float.

SENIORS PREPARE TO BE GRADUATED

Principal Rodney Woods (left) outlines the Commencement procedures at graduation practice, while (right) students listen intently to guard against getting someone else's diploma.

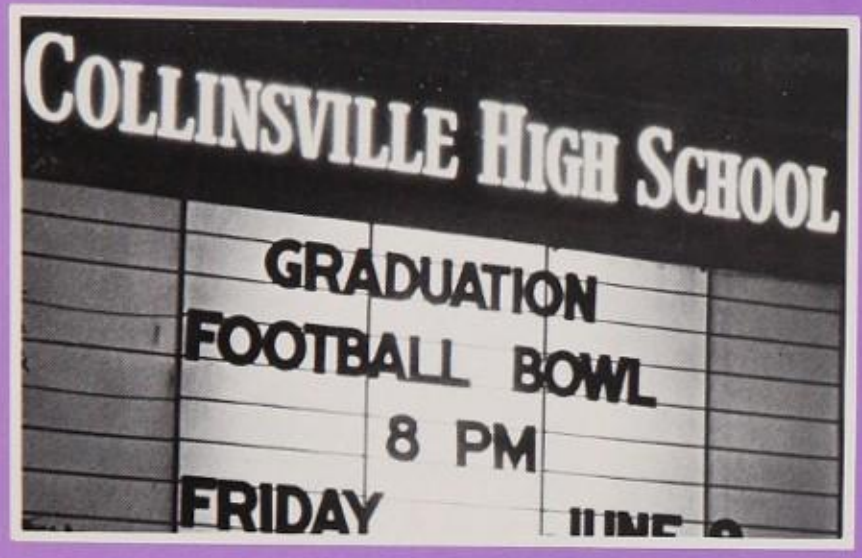
Confusion pervails (top left) as the graduates scramble to their places following the graduation tea. Marsha Alhardt (top left) hopes that one more pin will do the trick. Class sponsors, Miss Janet Kuncl and Mr. Ron Adams, and counselor, Mr. Ken Meredith (left), lead the Class of 1978 to the football bowl and graduation.

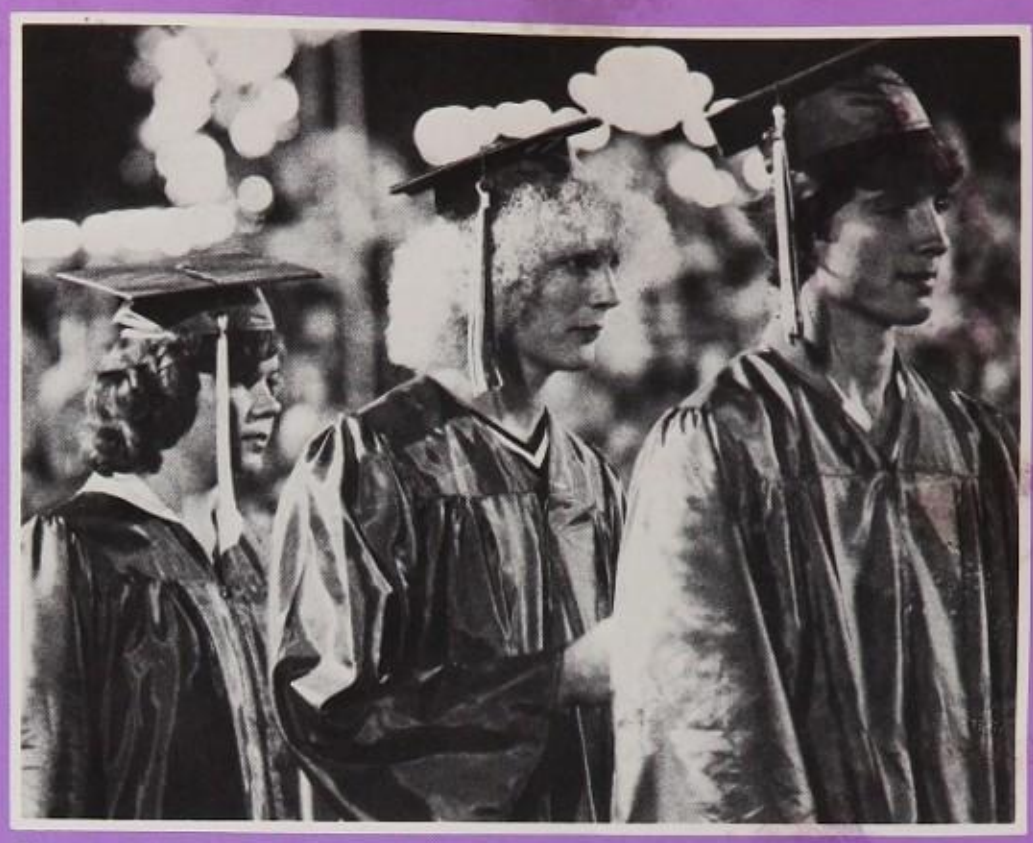
Graduation Day came at last for some 676 students from the Class of 1978. That long awaited moment had finally arrived.

The graduates faced the day with mixed emotions-some were relieved, some happy and some were saddened at the thought that they would no longer see the friends they had come to know over the past four years.

They all stepped onto the platform, accepted their diploma and received their final recognition. The graduates now face a new and challenging beginning.

CLASS OF 1978
GRADUATES ABOUT
676 STUDENTS



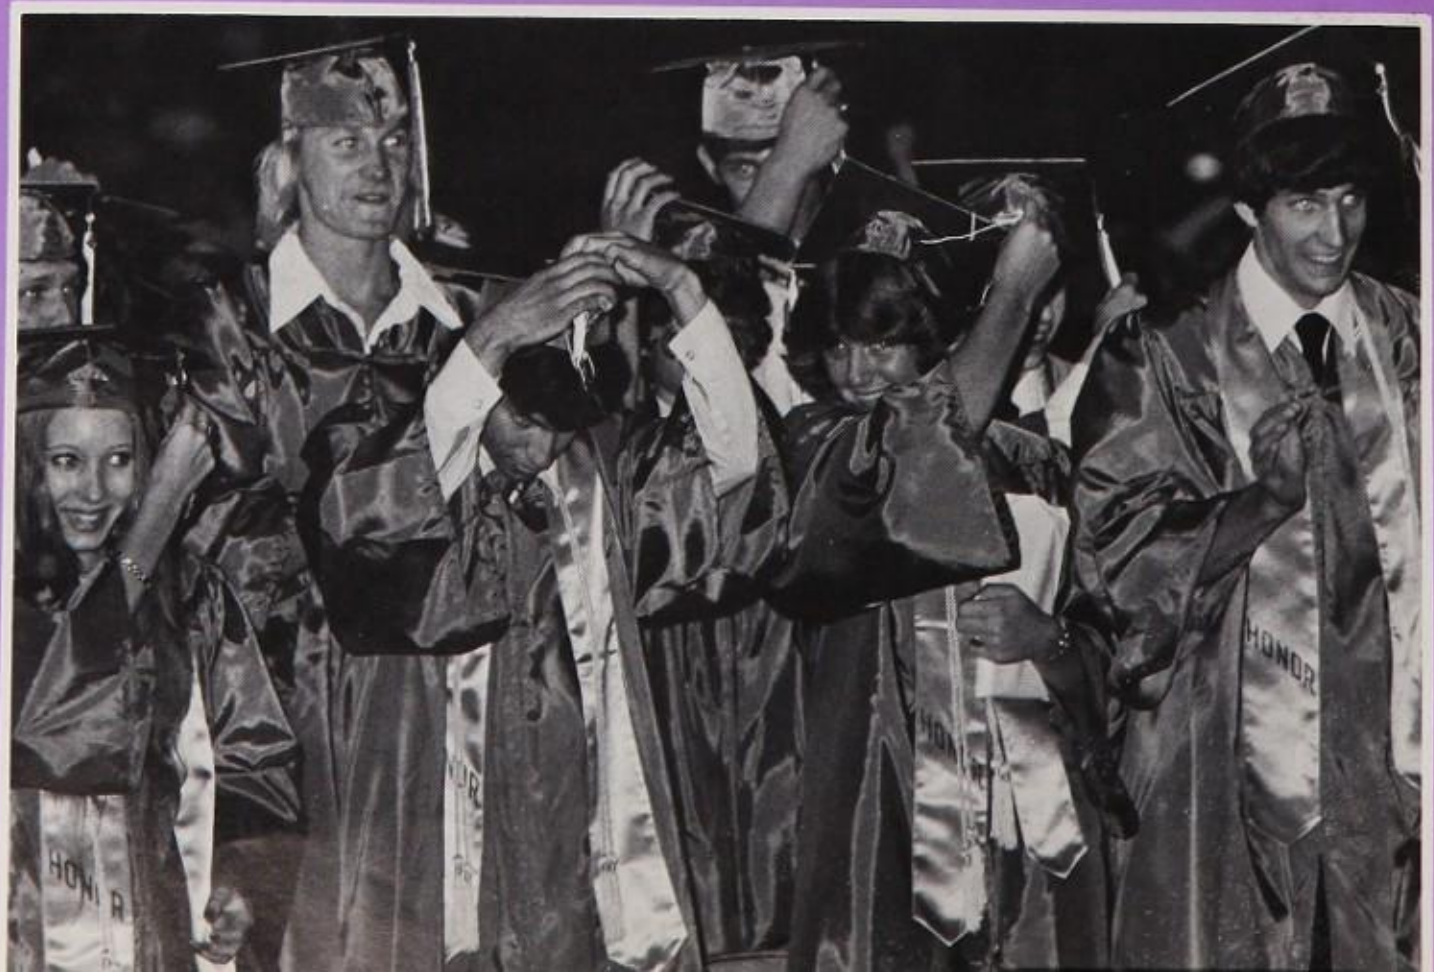


Cheryln Hooks, Chip Holubasch and Rich Holloman anxiously await their turn on the platform where they will receive their diploma covers and congratulations.

Principal Rodney Woods and Assistant Principal Ron Ganschinietz make their way to the football bowl.

Approximately 676 seniors cross the stage to accept their diploma cover and congratulations from School Board President Tom Jenkins, Superintendent John Renfro and others.

The turning of the tassles traditionally symbolizes graduation - at last. In the front row are Jami Lacopo and Nick Theodorakis - co-valedictorians, and Tammy Waltermire and Kent Peccola - co-salutatorians.



Class President Tony Kuhn urges his classmates to retain their individuality as tomorrow's leaders.

Linda Smith and LaVern Smith are the 550th and 549th person respectively, to receive their diploma.

Lisa Serer hands Assistant Principal Ron Ganschinietz her name card.

After the formal ceremony, the graduates (top) search almost helplessly for the long-awaited diplomas. Monica Blackburn (left) successfully finds her hard-earned document.

'78 CHANGES FADE OUT AS SCHOOL YEAR CLOSES

Perhaps for some, scanning through the 1978 edition of the KAHOKIAN has brought about an awareness of the changes that everyone experienced this past year at CHS. Throughout the book, from the introductory pages suggesting change in time and season, to the division pages demonstrating developmental changes we have all experienced, the theme, "Changes" becomes very apparent and, hopefully, has created a better understanding of the 1977-78 changes at CHS.

Some students refused to accept the inevitable changes, claiming that the administration had "rained on their parade," to quote an old saying. For them the change was perhaps semi-traumatic at first.

But for some, the changes went almog unnoticed. After only a few short weeks, the seniors, with their restricted schedules, hardly noticed the switch from open to closed campus lunch. The juniors, for the most part, accepted the change after some reluctance. And before long almost everyone had adjusted to the six-hour day. And it wasn't long until everyone knew that Dr. Hopper was in charge of attendance, a change from earlier years, and that Mr. Guse was no longer assistant principal, but rather principal at Vandalia Campus. Many juniors approvingly optioned P.E., which became an elective for the first time this past year.

By the end of the year, the changes fitted in nicely with our daily lives, almost as if they had never been there. For those who took the change in stride, there shouldn't be a great deal of school change for them next year. P.E. will remain an elective and on cold winter week nights, everyone will still have the opportunity to attend the girls' basketball games. Many of the changes implemented this year will remain intact next year, such as the six-hour day.

However, some changes may result by the fate of the June tax referendum defeat. Programs may be cut, teachers may be transferred and classes may be larger or smaller. Along with the everyday changes of styles, music, fads and one's individual character, changes remain forever a part of everyone's life. There is no escaping. It really is not "raining on our parade," but rather we are growing and developing into adulthood.

JUST FOR THE RECORD . . .

The 1978 Kahokian is slightly different than previous editions. For the first time in several years, we are back with a summer book. It was the feeling of the faculty advisor, principal and staff that the student body, as a whole, was unhappy with supplements since 30-50 percent of the students never bother to pick up their supplements.

Rather than leaving the spring activities out of the book, the staff decided to ditch the supplement and incorporate the spring activities into the regular book. This meant a summer book. To offset the near-impossibility of getting yearbooks autographed with a summer delivery, we sold autograph sheets in May with adhesive stripping on the back so the booklet could be permanently attached to the book.

It was also necessary to raise the cost of the book $1.00-inflation was the reason. Printing and production costs continue to soar. But because we buy a large number of books-almost 1,800 we are able to offer you a $12.00 book for only $9.00. Again because of inflation and lots of unnecessary dead space in previous books, the yearbook (counting supplement pages) was decreased by 30 pages.

We've tried a few new ideas this year. We've reduced the size of the individual maids in the Student Life section and senior pictures in the sports sections to allow more room for lively action shots, since most students consider those more exciting. We tried a different layout pattern in the class section and the feature section is altogether different.

As you flipped through the book, you noticed these and other changes. We experimented and hope you like what we have done. We had a lot of other ideas, but we didn't want to try everything at once. Therefore, the book represents only a portion of our plans. Thanks for bearing with us as we tried to produce for your one of the best yearbooks of your high school days.

As is the usual case, the work and effort that goes into a yearbook deserves credit beyond the staff itself. The 1978 Kahokian is no exception. The assistance offered from many various people, companies and organizations, plus the the inconvenience that various teachers experienced, along with deadlines, certainly deserve our recognition and thanks. So, the 1978 Kahokian wishes to thank the following:

--- Miss Margaret Linder, for her advice and guidance.
--- Mr. Rodney Woods (principal) and Mr. Ron Ganschinietz (assistant principal), for putting up with the staff and getting a former teacher's lounge for the staff's use.
--- Professional photographers Jim Herrin, Ralph Haury and Cullop-Jennings for their quality efforts and help countless times.
--- The photographers at the Collinsville Herald for their help with sports photos and statistics and other photos throughout the book.
--- Miss Janet Kuncl for the undercover work in the suprise dedication to Miss Linder.
--- Every teacher at CHS-both Greenwood and Vandalia-for their patience with interruptions with the scheduling and rescheduling of pictures.
--- No thanks to the weather.
--- Thanks to Sara at the Vandalia Campus for relaying numerous phone messages and her secretary partners at Greenwood who also took and relayed messages.
--- Sue Arnold for driving half the staff around the area when her car was needed. Thanks Regina Adams for the use of your car all those times too.
--- Mrs. Determan (Vocational teacher) for letting us use the electric typewriters instead of the broken-down manuals in the yearbook office.
--- Art work throughout the book merits thanks to Steve Mathews for division pages and some sports art, Stan Pitol's cover design and end sheets and bits and pieces from Kelly Cheatham and Craig Gaumer.
--- Thanks to Kendra Klein for the pages and pages and pages of typing.
--- Linda Arnold, for working way beyond expectations and leading the staff in production. (Incidentally, now associate editor, she'll probably be editor-in-chief next year — Good Luck!)
--- Paul Guse, photo editor, for taking work home with him at least a hundred times and never saying no when we asked him to take one more shot and print just one more picture, not to mention his help in late June.
--- Brian Carril for the use of his Photographs Limited service.
--- Apologies to all who received their class pictures in late May, a change of photo company next year will hopefully remedy that problem.
--- No thanks to deadlines.
--- Thanks To Dr. Freeman Hopper (assistant superintendent) for rolling up his sleeves and helping sell yearbooks when the lines got too long for the staff to handle alone.
--- Thanks to the staff at the Vandalia Campus and their co-ordinator Mrs. Mary Sue Noeth, The Vandalia staff included: Julie Randant, Rhonda Jenkins, Tammy Anderson, Vicki Welch, Tracy Pavelik, Cindy Allen, Lisa Stephens, Natalie Zavalgia (editor), Lisa Bugg, Elaine Yokubat, Shelly Erruti, Janice Marks, Lisa Witmer, Rhonda Allen, Lisa Bechtle and Jane Reeder.
--- Thanks to Dave Gaumer who took over as sports editor when the original editor quit when she realized the job entailed more work than she had expected.
--- Thanks to Concert News of St. Louis for the publicity pictures and information in the feature section.
--- Thanks to our representative Mr. John Straub for extending deadlines and for his well-taken advice and his always present sense of humor.
--- Thanks to Sheila Wilds and Kim Wright for double-checking the spelling of names in the group section.
--- Thanks to Mrs. Kathy Sims' (advisor) classes for taking in stride all the times we barged into her classes with interruptions.
--- Our apologies to any toes that got stepped on along the way.
--- No thanks to those who were always complaining nothing pleased them-and lots of thanks to those of you too numerous to mention, but who were always helpful in one way or another.
--- Special, special thanks to those section editors who could always be counted on to complete their work.
--- As with any publication, deadlines were met at the last minute, but the staff survived and thanks to all staff members for all the dedication and hard work that was required and was met every day throughout the year.

We hope you enjoy the total book and are not too terribly upset because we deleted the supplement and went to a summer book. We rather like the book. We certainly had a good time (right staff!?) putting it together for you. If there's something you don't like, join the staff next year and change it.

Good luck to the staff next year and best wishes to the Class of '79, as well as the student body and faculty throughout the school year.

Jim Woodcock, Editor-in- Chief

SPECIFICATIONS

The 1978 Kahokian was produced by and for the students of Collinsville High School at a cost of $9.00 to each subscriber. The book was printed by Josten's American Yearbook Company of Topeka, Kansas. The summer book was delivered in August.

Included in the book are 248 pages, of which eight pages are full color process and another eight pages of spot color. The book is trimmed to a 9x12 page size using enamel paper stock. American silk-screened cover and sewed binding. The company printed 1,740 copies of the book.

Headlines, except for the division pages, are set in News Gothic 30 and 24 point size. Body copy is set in 10 point and cutlines 8 point-both in News Gothic. Headlines on the division pages are set in 60 point Bolt Bold.

The cover and endsheets were staff designed by senior Stan Pitol. The division pages were designed by staff artist Steve Mathews.

The official photographer for the underclassmen pictures was Delmar Studio's of Charlotte, North Carolina. Senior pictures were taken by Ralph Haury, Jim Herrin, Cullop-Jennings, or any other local photographer of the student's choice.
